Deep Gossip:

Deep Gossip Sidney Wade, 2020-04-07 A great and frequently subversive book by a lyric poet at the height of her craft Throughout her seven critically acclaimed collections Sidney Wade has established herself as a poet with a serious but light touch capable of the clarity and inventiveness it takes to work a problem to both pleasure and resolution Playing with and challenging form in all directions the 27 new and 96 selected poems in *Deep Gossip* bristle with a sly wit that trips and delights the reader Inspired by landscape language music and living things as well as the occasional bout of political outrage *Deep Gossip* is a smart collection Praise for *Other Books* by Sidney Wade The quick closely observed poems in Sidney Wade's beguiling *Bird Book* move from page to page like their subjects in flight on air a murmuration sweeping across the horizon William Souder Sidney Wade's linguistic and philosophical turns in *Bird Book* confirm that she is both the supreme heir to Wallace Stevens and one of the most original poets in the language Randall Mann This is a beautiful wise and timely collection Daniel Anderson As impressive and thrillingly exact as these poems are concerning matters ornithological it is the exquisite music earth sprung bright and resonant of Wade's radically short line that so enchants me the free play of interlinear rhyme phonemic harmonies and small bursts of metrical rhythms that yield more vitality and delight than any gathering of poems I have encountered in a very long time B H Fairchild Her poems are a particular and splendid instance of what Hopkins meant by poetry proper the language of inspiration Richard Howard *Deep Gossip* Henry
