Abstract Blues:

A Blues Bibliography Robert Ford, 2008-03-31 *A Blues Bibliography* Second Edition is a revised and enlarged version of the definitive blues bibliography first published in 1999. Material previously omitted from the first edition has now been included and the bibliography has been expanded to include works published since then. In addition to biographical references, this work includes entries on the history and background of the blues instruments, record labels, reference sources, regional variations, and lyric transcriptions and musical analysis. *The Blues Bibliography* is an invaluable guide to the enthusiastic market among libraries specializing in music and African American culture and among individual blues scholars.

Blues and the Abstract Truth David Hammons, Ulrich Loock, 1997. The title of this book derives from a jazz piece by Oliver Nelson, and the photographs and the rooms pictured are all bathed in an unreal blue. Being surrounded by this blue light, the viewer is taken into artist Hammons's space with subtle intensity. Using the Kunsthalle in Bern to envelop the visitor in shades of blueness, Hammons created a sensual and nocturnal realm. African American artist Hammons is perhaps best known for his provocative portrait of politician Jesse Jackson transformed into a blonde blue-eyed white man and entitled *How Ya Like Me Now*. He has been the subject of numerous one-man exhibitions, including venues such as The New Museum of Contemporary Art, Exit Art, P.S. 1 Museum, and Museum of Modern Art, San Francisco. In 1993, the Illinois State Museum published *In the Hood*. Hammons continues to live and work in Harlem.

Field Hollers And Freedom Songs: The Anthology C. Sade Turnipseed, 2022. Taking place annually in the most southern place on earth, aka the Cotton Kingdom, the Sweat Equity Investment in the Cotton Kingdom Symposium offers a platform to honor, celebrate, and recognize the legacy of the African Americans who labored in the cotton fields of the Mississippi Delta. The symposium intends to trigger discussions and provide a space where the histories and contributions of those Americans can be heard and learned from. Born in the antebellum south, the soul of America came to be through the tearful occupation of planting, chopping, picking, and ginning cotton, where it was then brined within a system of enslavement, sharecropping, and international trade that in so many ways provided America its greatness. Carefully compiled from works presented at the symposia, this anthology looks to expose the tortured cotton-picking spirit embedded in America's soul, a spirit that is rendered in song, chants, spoken word, and field hollers, and revealed in this volume through the selected articles, lyric poetry, proverbs, speeches, slave narratives, and workshop proposals. The rich and varied content of this book reflects the uniqueness of not only the Mississippi Delta but also the histories of those who lived and worked there.

Songs of Love and Horror Will Oldham, 2018-10-09. The definitive collection of lyrics from three decades of songwriting. As a performer, songwriter, and actor, Will Oldham has carved a singular path through the worlds of indie folk and cinema. Now the critically acclaimed enigmatic artist presents his life's work: the lyrics to more than two hundred songs spanning the 1980s to the present, each with annotations that impart new meaning to his music. Oldham's aphoristic meditations on death, patience, and turning carelessness into a virtue are like his lyrics.

profound earthy and often funny They reveal flashes of Oldham s philosophy the sources and circumstances that inspired his lyrics and the literary ambition of his songwriting Separated from their aural form Oldham s lyrics become a new kind of poetry candid awkward and wise with influences as diverse as Rabindranath Tagore and The Mekons A book that will delight his longtime fans and inspire young songwriters Songs of Love and Horror reveals an artist who has captured extraordinary poetry in music despite being a stranger among my own language
