While You're There Abby Millsaps, 2021-10-17 Everhett Wheeler got the girl. And not just any girl, his girl. The love of his life. The counterpart of his soul. The woman he's been pursuing for the last ten years. Loving Tori comes as naturally as breathing, and he knows that marrying her will be the privilege of a lifetime. Victoria Thompson is giving herself permission to be loved. After years of resisting her undeniable connection to her best friend, she's finally ready to surrender. Accepting Rhett's proposal of forever is easier than she expected and more fulfilling than she ever dreamed. Now that she's done trying to keep him at arm's length, she knows that his arms are the only place she was ever meant to be. But Rhett and Tori made harrowing, destructive choices on their unconventional path to happily ever after, and choices always have consequences. With more than just physical distance threatening to tear them apart, they must trust in their newly rekindled love to navigate what comes next. Can Rhett uphold all the hastily made promises that now seem so hard to keep? Can Tori muster the strength to support her man while she faces the reality of her own greatest fears? Not even forever would be long enough for this love, but what if forever isn't an option anymore? *Debt of Bones* Terry Goodkind, 2018-01-30 A milestone of storytelling set in the world of the *Sword of Truth*, *Debt of Bones* is the tale of young Abby's struggle to win the aid of the wizard Zedd Zorander, the most important man alive. The basis for the TV show *Legend of the Seeker*, Abby is trapped, not only between both sides of the war, but in a mortal conflict between two powerful men. For Zedd, who commands power, most men can only imagine granting Abby's request would mean forsaking his sacred duty. With the storm of the final battle about to break, both Abby and Zedd are caught in a desperate fight to save the life of a child, but neither can escape the shadow of an ancient betrayal. With time running out, their only choice may be a debt of bones. The world for Zedd, for Abby, for everyone, will never again be the same. Discover why millions of readers the world over have elevated Terry Goodkind to the ranks of legend. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Stigma and the Cave D. H. Melhem, 2007-04-19 These two novels complete D. H. Melhem's trilogy *Patrimonies*, that began with *Blight*. *Stigma*, a dark political satire, and *The Cave*, a post-nuclear fantasy, confront the crucial issue facing this generation: what kind of world will be our legacy? Unsettling and sometimes terrifying, both novels center on ideological paradoxes created by a military-industrial government pitted against American individualist politics. *Stigma* offers a vision of civil unrest, unemployment, and a chronic state of war. Books are recycled as toilet paper. Families are conscripted by lottery for the honor

of war work Selected adults serve in a bizarre bomb factory Youths are inducted into military service children relegated to orphanages Scathing yet awash in dark humor Stigma relates one family s struggle to survive in and escape a system of perversity and horror The Cave describes a motley group of people who flee to an abandoned cave seeking shelter from a nuclear attack Inside viciousness cowardice and heroic gestures ironically transform their lives into a war Tensions between family relations and newly formed alliances communal needs and individual desires religious beliefs and stark reality move toward a cataclysmic finale in which one man retrieves a sign of faith Sparsely poetic simple in tone but rich in allusion Melhem s writing in The Cave as in Stigma and in Blight beckons readers to lift themselves out of their own lived reality to look at the strange and threatening clouds on the not so distant horizon
