According To Matthew The Gospel Of Christs Humanity:

According to Matthew Rudolf Steiner, 2002 12 lectures Berne September 1 12 1910 CW 123 For centuries people have been baffled by the varying accounts of Christ's life as presented in the four Gospels and have struggled to reconcile them In these profound and stimulating lectures Steiner addresses this conundrum He shows how each of the Gospels presents a different lens onto Christ's life and message Here Steiner reveals the Gospel of Matthew as the one that emphasizes Christ's humanity But he does not stop there his visionary perspective traces Christ's life and message to spiritual impulses that go back centuries even millennia to the legendary civilization of Atlantis to the mysterious Zarathustra and to the Jewish sect known as the Essenes An introduction by Richard Smoley author of *Inner Christianity* puts Steiner's vision into perspective for modern readers Once you have experienced Steiner's powerful exploration of Matthew you will never see the Gospels in the same way again Previous translation titled *The Gospel of St Matthew* READ BOBBY MATHERNE'S REVIEW OF THIS BOOK If we read Steiner's lectures with an open and attentive inner eye we may be able to see the Christ mystery not as a collection of dogmas or facts but as a spiritual impulse that stretches far beyond the limits of Christ's own time and even of the lifespan of Christianity itself We may even catch a glimpse of the high powers that govern the life of civilizations and of the great entity known as the human race Richard Smoley from the introduction *According to Matthew* is a translation from German of *Das Matthaeus evangelium* A previous translation was titled *The Gospel of St Matthew* *The Humanity of Jesus in Matthew* Matt Jones, 2021-05-04 Matthew's portrait of Jesus communicates the importance of the human element of Jesus's existence While Mark's Jesus may be the most human Matthew was most interested in the human story of Jesus among the Gospel authors This narrative critical examination of Matthew's portrait prioritizes the human element of Jesus's story He purposely balances the human and transcendent so that he can reinforce the reader's belief in Jesus and hope that Jesus's life can be imitated

Irenaeus' Use of Matthew's Gospel in Adversus Haereses D. Jeffrey Bingham, Dwight Jeffrey Bingham, 1998 This book shows how Irenaeus creatively selects and develops distinctive Matthean material within his interpretive networks of other biblical texts in order to verbally and conceptually oppose the theses of the heretics and provide helpful language for his expression of the church's faith He is attracted to this Matthean material not because it holds an extraordinary place in the canon but because in his view each gospel makes a distinctive but equal contribution to the church's canon and polemic Irenaeus sees some of Matthew's distinctive contributions in terms of language which emphasizes Christ's humanity and virgin birth explains the theological and economical unity of the two covenants and opposes the heretics cosmological anthropological Christological theological and economical dualism Although the bishop works within the framework of the church's tradition the interpretive inter-textual networks he builds his magnification of particular terms and his polemic against dualism demonstrate his creative anti-heretic innovation Rarely does he ever merely repeat the thought of a predecessor Irenaeus
