Accounting Profession:

Advice for a Successful Career in the Accounting Profession Jerry Maginnis, 2021-10-06 Practical guidance to optimize the benefits of your accounting degree no matter what stage of your career Originally conceived and designed to provide helpful advice to college and university accounting majors and early career professionals this book evolved into a valuable resource for those groups as well as others who may be further along in their accounting careers It contains many practical examples and real life experiences from a long and successful career in the profession that you won't find in any accounting auditing or tax textbook And it is written in a fun and engaging style with a simple goal in mind to share lessons learned and insights that will help accountants of all ages optimize their career opportunities Jerry Maginnis CPA the former Office Managing Partner for the Philadelphia office of KPMG one of the Big Four Accounting Firms currently serves as the Accounting Executive in Residence at Rowan University in Southern New Jersey In this role he has counseled and mentored dozens of students and early career professionals The book leverages Jerry's real world experience and his advice and counsel is delivered in a fashion that will make you feel like you are having a one on one conversation with him Readers will also enjoy Advice delivered concisely each chapter is succinct and provides essential takeaways and action plans for all points in a career A guidebook that is efficiently organized into three sections for college and university students for early career professionals for accountants of all ages and experience levels allowing the reader to focus on the sections that are most applicable to them An excellent refresher or reminder of concepts or principles that are important to even the most successful and experienced accountants Loaded with real world tips and techniques **Advice for a Successful Career in the Accounting Profession** is an ideal resource for accountants and auditors tax and advisory professionals and University professors and high school instructors teaching Accounting undeclared business majors underrepresented populations and students aspiring to become CPAs

All You Need to Know about Accounting and Accountants Robert Louis Grottke, 2013-12-09 Accounting and financial reporting can seem confusing and complex to strangers of the accounting world This confusion often leads to misconceptions about accounting as a profession Exactly what does an accountant do What skills are needed for financial auditing What opportunities does an accounting career offer for advancement Many accounting textbooks claim to answer these questions but such books are usually written by professors who assume readers are college students who already know they want to become accountants Other books are for seasoned accountants looking to improve their existing skill sets Such books are pedantic cumbersome and almost always assume some preexisting knowledge of accounting **All You Need to Know about Accounting and Accountants** isn't written with advanced accounting in mind Instead the intended audience includes high school and college students considering accounting as a career but unsure if the profession is right for them Nonfinancial business executives seeking a better understanding of accounting will also find this book easy to access and informative A fifty year veteran of the accounting profession Robert Grottke explains the basic

principles of accounting and auditing with detailed but easily understood definitions He outlines the educational requirements needed to become an accountant discusses the different types of accountant and explains their job responsibilities and importance within commercial organizations Grottko also covers advancement opportunities within the profession A clear explanation of accountancy expressed in layman s terms All You Need to Know about Accounting and Accountants has the answers to your questions about a fascinating industry

Understanding the Sociology of the Accounting Profession Jasvinder Sidhu,Soma Pillay,Mahesh Joshi,2023-06-30 This book presents the first non European and non North American comprehensive study explaining failures of key merger attempts by Australia s two leading accounting bodies It employs two complementary theoretical constructs namely boundary work and exclusiveness versus market control to explain the maintenance of professional boundaries in the Australian accounting profession In doing so it illustrates key historical developments in Australia s society economy and business world towards shaping the present structure and operations of the accounting profession and the remaining professional bodies at the national level
