

ACCOUNTING EXAM NOTES

Topic 2 – regulation (theory)

Conceptual framework consists of a set of concepts to be followed by preparers of financial statements and standard setters

Four sections

- Objective of general purpose financial reports (GPFR)
- The reporting entity
- Definition of elements of financial statements
- Concepts, principles and qualitative characteristics

Objective of GPFR

- to provide financial information about the reporting entity to the resource providers.
- emphasises that primary users of GPFR are existing and potential shareholders, lenders and other creditors.

The reporting entity

- An entity in which it is reasonable to expect the existence of users who depend on general purpose financial reports to enable them to make economic decisions.
- A reporting entity **must prepare** external general purpose financial reports that comply with accounting standards.

Definition of elements of financial statements

Statement of Profit or Loss	Statement of Changes in Equity	Statement of Financial Position	Statement of Cash Flows
Reports revenues less expenses for a particular period of time.	Reports total comprehensive income for the period and other changes in equity.	Reports assets, liabilities and equity at a particular point in time.	Reports information regarding cash receipts and cash payments for a particular period of time.
