Cat Breeding: The Complete Guide on Everything about How to Breeding Cats Ferdinand H. Quinones MD,2019-02-12 This book guide to cat breeding is a digest of scientific knowledge and technical information for amateur breeders and feline professionals as well as young veterinarians that work in the field The latest knowledge on cat breeding is reviewed by theme genetics reproduction paediatrics health problems nutrition grooming and care If you are considering breeding cats there are several factors you need to consider before making a decision It is not a job you should undertake lightly and we recommend reading up as much as you can on

the cat breed you want to breed and what the process may entail Cat breeding seems to be slightly less complicated than dog breeding since you don't need to be as precise about the timing and felines seem to be far more self-sufficient at handling the mating themselves Let's take a closer look at the process Cat breeding can be a rewarding experience but it's not an operation to be undertaken lightly If you're thinking about breeding your pet first consider the tragic surplus of unwanted cats sitting in shelters and running the streets at this very moment
