Being, Nature, and Life in Aristotle James G. Lennox,Robert Bolton,2010-11-18 This volume of essays explores major connected themes in Aristotle s metaphysics philosophy of nature and ethics especially themes related to essence definition teleology activity potentiality and the highest good The volume is united by the belief that all aspects of Aristotle s work need to be studied together if any one of the areas of thought is to be fully understood Many of the papers were contributions to a conference at the University of Pittsburgh entitled Being Nature and Life in Aristotle to honor Professor Allan Gotthelf s many contributions to the field of ancient philosophy a few are contributions from those who were invited but could not attend The contributors all longstanding friends of Professor Gotthelf are among the most accomplished scholars in the field of ancient philosophy today

**Fire Craft** Erin E. O'Connor,2025-08-12 Glassblowing by hand might seem like a dying art yet it is thriving Studios and universities offer popular classes and glass art is widely exhibited and sold Amateur and professional glassblowers alike are captivated by the choreography of fire smoke and molten material Why are people drawn to this ancient craft What is distinctive about the social physical and intellectual experience of glassblowing How does the body learn an art In Fire Craft Erin E O Connor interweaves an immersive firsthand account of her experiences learning to blow glass with a sensuous ethnography of embodiment and community among glassblowers Through compelling stories such as her struggle to produce an elegant goblet she shows how a novice becomes hooked by and committed to a craft Reflecting on embodied knowledge O Connor considers how we negotiate mistakes and failures how we strive to develop proficiency in the face of shortcomings and how through making objects we make meaning She also explores the history of glassblowing and how various social environmental and knowledge frameworks shape the valorization of craft From the furnaces of empire to the hot bodies of collaboration and love O Connor reveals the interconnectedness of the body with the elemental world A gripping tale of the social world and experience of glassblowing Fire Craft passionately defends practical labor as intellectual work that changes self and society
