Faith in Small Groups of Adolescents Harmen van Wijnen, 2016-10-01 The church is struggling with the gap between the church and adolescents Over the last decades the problem of bridging the gap was often outsourced to youth ministry in different forms such as special youth workers faith learning programs local activities national events holidays and education of youth leaders However the overall conclusion is that over the last ten years traditional youth ministry forms cannot function as the bridge they should be the gap is too deep and too wide or perhaps the metaphor of the gap is no longer appropriate to describe the current situation regarding the church and adolescents This book aims to provide a creative and innovative contribution to the search for new paradigms in youth ministry This book shows that small groups are very important for adolescents The natural social environment greatly influences adolescents in their process of transformation from childhood to adulthood including faith socialization The emphasis on the natural social environment can be defined as follows Being goes before organizing and the individual cannot be without others Briefly being together as a basic given The conclusion of this book is that youth ministry needs a twofold turn a turn from the individual to the communal and a turn from an organized environment to a natural environment

Youth Ministry That Transforms Merton P. Strommen, Karen Jones, Dave Rahn, 2011-05-03 A first of its kind study of Protestant youth ministers reveals the hopes frustrations and effectiveness of today's youth workers Of the 7 000 youth workers assembled in 1996 under Atlanta's Georgia Dome a sample of 2 130 full time youth ministers from dozens of Protestant denominations and parachurch organizations answered a battery of exhaustive deliberate questions covering What they liked best about youth ministry What particularly pleased them in their work with youth What they found most encouraging or discouraging Their biggest obstacle to an effective youth ministry Their biggest concern in youth ministry Their

answers revealed a dedicated group of professionals concerned about the students in their ministries but troubled with a variety of perplexing issues. And their answers form the backbone of *Youth Ministry That Transforms*, a comprehensive analysis of this groundbreaking study funded by the Lilly Endowment focusing on the hopes, frustrations, and effectiveness of today's youth workers. Spearheaded by Merton Strommen, one of America's most exemplary and influential thinkers and authors in youth and family ministry, the research/writing team is joined by Karen E. Jones and Dave Rahn of Huntington Indiana College's Link Institute for Faithful and Effective Youth Ministry, an acknowledged leader in the task of undergirding youth ministry with a research base. These three deliver thorough analysis and sound interpretation regarding the state of youth ministry at the dawn of the 21st century. *Youth Ministry That Transforms* belongs on the desks and in the classrooms of all who are concerned with this developing profession, including denominational and parachurch leadership, professors, youth ministry students, and thoughtful youth workers themselves. It is also an insightful resource for any who want to understand youth ministers and their profession: senior pastors, executive pastors, and other individuals and committees charged with hiring and supervising youth workers.

[Life in Student Ministry](#) Tim Schmoyer, 2011-04-05. If you're in the front lines of youth ministry as a leader, volunteer, pastor, parent, you know that youth leadership can be tough. Teens are moving targets, congregations have high expectations, and sometimes even the most experienced youth leader can't shake the feeling that they really don't have a clue about what to do next. *Life in Student Ministry* offers more than a clue. Jammed-packed with practical, how-to advice, this book is a must-read for any youth leader committed to building a thriving, long-lived ministry that impacts the spiritual lives of teenagers and their families. Based on a decade of youth leadership experience, author Tim Schmoyer provides on-target advice on everything from getting started to recruiting and utilizing volunteers to welcoming visitors to dealing with lack of commitment from teens and parents. He also includes input, advice, suggestions, even disagreements from a host of experienced youth workers who discussed the book's overall content and weighed in with their own feedback. The result is a collection of many voices on the hurdles and frustrations common to many youth ministries. *Life in Student Ministry* encourages, challenges, and equips youth leaders to move through the barriers and thrive in their ministries.

The Disciple, 1981 **Alliance Life**, 1988 **Purpose Driven Youth Ministry** Doug Fields, 2009-12-15. If you long to reach kids and see their lives changed by God, this comprehensive guide shows you how. *Purpose Driven Youth Ministry* will do for youth ministry what Rick Warren's Gold Medallion award-winning *The Purpose Driven Church* is doing for pastoral ministry. It's an indispensable guide to creating and maintaining youth ministry for the long run. It will help you create a solid spiritual team that builds the foundations of the Christian faith into the hearts and lives of young people. Forged around the fundamental purposes of evangelism, discipleship, fellowship, ministry, and worship, *Purpose Driven Youth Ministry* uses the experiences of Saddleback Church to illustrate what a healthy youth ministry can be. Nine transferable principles help you connect with the power of God for passionate, committed leadership. Define the purpose of your ministry and

communicate it effectively Identify your potential audience Create programs that reach your audience and fulfill God's purposes Implement processes that move students to maturity Enhance your ministry with clearly defined values Team up with parents to involve the whole family Find volunteers and develop them into participating leaders Persevere through tough times and thrive in an ever changing environment Balancing both theory and practice Purpose Driven Youth Ministry can be applied to any church setting regardless of size denomination facilities resources and existing leadership Purpose Driven Youth Ministry will help you develop a ministry that equips students rather than a ministry that coordinates events Doug Fields says My goal for this book is to coach you through a plan to build a healthy youth ministry that isn't dependent on one great youth leader and won't be destroyed when the youth worker leaves the church It's not a book on how to grow your youth ministry with six easy steps it's about identifying establishing and building health into your church's youth ministry
