Complete Short Prose 1929 1989:

Samuel Beckett: the Complete Short Prose, 1929-1989 Samuel Beckett, 1995 Gathers the Nobel Prize winning poet and dramatist's short prose into one volume that affords the reader a view of Beckett's development as an artist [The Complete Short Prose 1929-1989 \[of Samuel Beckett\]](#) Stanley E. Gontarski, 1995 **The Complete Short Prose of Samuel Beckett, 1929-1989** Samuel Beckett, 2007-12-01 Nobel Prize winner Samuel Beckett was one of the most profoundly original writers of the 20th century He gave expression to the anguish and isolation of the individual consciousness with a purity and minimalism that have altered the shape of world literature A tremendously influential poet and dramatist Beckett spoke of his prose fiction as the important writing the medium in which he distilled his ideas most powerfully Here for the first time his short prose is gathered in a definitive complete volume by leading Beckett scholar S E Gontarski [Childhood as Memory, Myth and Metaphor](#) Catherine Crimp, 2017-12-02 A fascination with childhood unites the artist Louise Bourgeois 1911 2010 and the writers Samuel Beckett 1906 89 and Marcel Proust 1871 1922 But while many commentators have traced their childhood images back to memories of lived experiences there is more to their mythologies of childhood that waits to be explored They invite us to move away from familiar ideas whether psychological or biographical about what a child can represent and even what a child is The haunting child figures of Bourgeois Beckett and Proust echo each other as they show how imagining origins for a life for a work of art involves paradoxes that test the limits of our forms of expression Art meets literature profusion meets concision French meets English and images of childhood reveal new insights in this encounter between three great figures of twentieth and twenty first century culture Catherine Crimp holds a PhD from the University of Cambridge and is currently Lectrice d anglais at the Ecole Normale Supérieure de Lyon **Beckett and Nothing** Daniela Caselli, 2020-03-09 This electronic version has been made available under a Creative Commons BY NC ND open access license Beckett and nothing invites its readership to understand the complex ways in which the Beckett canon both suggests and resists turning nothing into something by looking at specific sometimes almost invisible ways in which little nothings pervade the Beckett canon The volume has two main functions on the one hand it looks at nothing not only as a content but also a set of rhetorical strategies to reconsider afresh classic Beckett problems such as Irishness silence value marginality politics and the relationships between modernism and postmodernism and absence and presence On the other it focuses on nothing in order to assess how the Beckett oeuvre can help us rethink contemporary preoccupations with materialism neurology sculpture music and television The volume is a scholarly intervention in the fields of Beckett studies which offers its chapters as case studies to use in the classroom It will prove of interest to advanced students and scholars in English French Comparative Literature Drama Visual Studies Philosophy Music Cinema and TV studies **Bowie, Beckett, and Being** Rodney Sharkey, 2024-01-11 Addressing their shared passion for literature art and music this book documents how Samuel Beckett and David Bowie produce extraordinarily empathetic creative outputs that reflect the experience and the

effect of alienation Through an exploration of their artistic practices the study also illustrates how both artists articulate shared forms of human experience otherwise silenced by normative modes of representation To liberate these experiences Bowie and Beckett create alternative theatrical musical and philosophical spaces which help frame the power relations of the psychological verbal and material places we inhabit The result is that their work demonstrates how individuals are disciplined by the implicitly repressive social order of late capitalism while simultaneously offering an informed political alternative In making the injunctions of the social order apparent Beckett and Bowie also transgress its terms opening up new spaces beyond the conventional identities of family nation and gender until both artists finally coalesce in the quantum space of the posthuman

Beckett Critical Reader S.E. Gontarski,2019-07-30 The Reader makes readily available for the first time 17 major previously uncollected significant essays from the Journal of Beckett Studies from 1992 to the present

Headaches Among the Overtones Catherine Laws,2013-12-10 Samuel Beckett produced some of the most powerful writing some of the funniest but most devastating of the twentieth century He described his plays prose and poetry as an unnecessary stain on the silence but the extraordinary combination of concision and richness in his writing stems from his peculiar sensitivity to the sounds and rhythms of words Moreover music forms a part of Beckett s comic aesthetics of failure it plays a role in his exploration of the possibilities and failures of the imagination and the ever failing attempt to forge a sense of self No wonder then that so many composers have taken inspiration from Beckett setting his words to music or translating into music the dramatic themes or contexts of his work *Headaches Among the Overtones* considers both music in Beckett and Beckett s significance in contemporary music In doing so it explores the relationship between words music and meaning examining how comparable philosophical concerns and artistic effects appear in literature and music of the twentieth and twenty first centuries

The Beckett Circle ,1995 *The Publishers Weekly* ,1945-03 **Talking Book Topics** ,2004 Includes audio versions and annual title author index Twentieth-century Short Story Explication Warren S. Walker,1993 Contains nearly 6000 entries that provide a bibliography of interpretations for short stories published between 1989 and 1990

Impersonal Passion Denise Riley,2005-04-08 A collection of essays on the everyday workings of language how language shapes our social political existence *Library Journal* ,1996 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Journal of Beckett Studies** ,2006 *Literature, Philosophy, Nihilism* Shane Weller,2008-09-11 This book charts the history of the concept of nihilism in some of the most important philosophers and literary theorists of the modern and postmodern periods including Wyndham Lewis Heidegger Adorno Blanchot Derrida and Vattimo Focusing in particular on the ways in which each of these thinkers produces a theory of the literary as the privileged form of resistance to nihilism Weller offers the first in depth analysis of nihilism s key role in the thinking of the aesthetic since Nietzsche

Samuel Beckett Sinéad Mooney,2006 This study explores the found world of historical circumstance and the made world

of the imagination in Rushdie's fiction **Studies in English Literature**, 2005 Deleuze and Literature Ian Buchanan, John Marks, 2000 Although he is best known as a philosopher Deleuze's interests were extremely far reaching in addition to his important critiques of major philosophers like Kant Hume and Spinoza he also wrote extensively on literature cinema and art Characteristically he didn't apply philosophy to the arts he always tried to extract philosophy from them Deleuze wrote widely on literature but always with an eye to extract something new and interesting never merely to interpret Indeed his most notorious slogan was don't ask what it means Ask how it works He wrote monographs on Proust Kafka and Sacher Masoch He also wrote essays on Beckett Melville Jarry T E Lawrence D H Lawrence and Whitman The essays collected in this volume are the first devoted solely to Deleuze's work on literature Written by leading Deleuzian scholars the essays focus on two main questions how does Deleuze read literary texts And how can we read texts in a Deleuzian way Contributors Bruce Baugh Ian Buchanan Claire Colebrook Andre Pierre Colombat Tom Conley Hugh Crawford Marlene Goldman Eugene W Holland Greg Lambert John Marks Timothy S Murphy and Kenneth Surin *Tale, Novella, Short Story* Wolfgang Görtschacher, 2004
