Proceedings of the ... Annual Meeting National Association of Schools of Music. Meeting, 2008 *United Nations E-government Survey 2010*, 2010. The theme of 2010 Survey is how to leverage e-Government in the current financial and economic crisis. The crisis presents a major challenge for UN Member States' attainment of national development goals. Half way through the MDGs, it is important to help enhance their crisis response. In this very context, that the Survey explores the potential of e-Government focusing on its relationship with government spending such as stimulus funding, integrity, and efficiency in financial monitoring and public service delivery. As in the previous Surveys, it assesses e-readiness of Member States according to a number of criteria in an analysis conducted every two years. The Member States are ranked, most of all, on the basis of each Member State's use of the Internet and the World Wide Web (WWW) for the provision of information products and services, plus the level of telecommunication and human capital infrastructure development. The prime focus of the Survey will remain the Web Measure Index based on an extensive analysis of government national web portals, sites, and ministries. Assessment of the e-Government readiness of the 192 Member States according to quantitative index of e-Readiness based on website assessment, telecommunication infrastructure, and human capital. **Make Money Online (Even If You're Broke)** Chris Tanner, Still stuck in a job you hate and barely getting by?
