Accepted By God:

Justification and Acceptance with God; or, an inquiry into the relative value of the death ... of Christ ... By a Student of Scripture, 1865 *A Bible Study Investigation into Our Relationship to God and into ?The Time of the End?* Trevor Pope, 2011-03 Throughout the entire Christian era Adventist groups have been announcing that the return of Jesus Christ is imminent This book is a reminder that until some awesome prophecies of which Jesus warned have been fulfilled His return cannot be imminent When questioned about the signs preceding His return Jesus warned of deception of international hatred of Christians and of the prophet Daniel s forecast of an unprecedented time of trouble that would almost destroy mankind To those in Thessalonica long ago who believed the Lord s return was imminent the apostle Paul wrote You must allow no one to deceive you in any way That day cannot come until the Great Rebellion has taken place Quoting from Daniel Paul describes an appalling rebel and how the Lord s appearing will remove him Despite these warnings from Jesus and Paul many Christians today regard these old prophecies as largely metaphorical and as having been fulfilled To their infinite loss they overlook them and perpetuate the age old prediction that the Lord s return is imminent In contradiction to that many prophecies related herein prove that the three and a half years of the time of the end have not yet begun **The Cause of God and Truth** John Gill, 1842 *The Works of President Edwards* Jonathan Edwards, 1879 To Teach the Truth Schubert M. Ogden, 2015-03-31 But will it teach The only good answer to this question often asked about a Christian theology is to teach it which is to say to teach according to it to what it indicates reflectively and critically valid Christian teaching ought to be This volume of selected courses and seminars documents a career long attempt to do exactly that Concerned at once to be faithful to the Christian witness and to speak intelligibly and credibly to women and men here and now it represents the way of doing church teaching and so clarifying the meaning of the Christian commitment that is of a piece with the distinctive way of doing Christian theology set forth and argued for in Schubert Ogden s other books and articles This is why the courses and seminars seek to address the real questions of persons about being a Christian today and include extended treatment of such basic issues as the authority of Scripture and the credibility of the Apostles Creed It is also why each of them in its way indirectly calls for a Christian decision Thus together with its companion volume *To Preach the Truth* this book offers a model for bearing witness to the truth as Christians understand it *Faith in the Blessed God: Its Nature, Results, and Reward. A Reprint (by Request) of 19 Lectures from His Commentary on the Epistle to the Hebrews. With a Preface on the Authority of the Old Testament and a Note on the Passion of Our Lord* William Tait (English Chaplain at Pau.), 1874 **Serenity And all kinds of Wonderful** Zara Borthwick, Nicholas Arnold, 2016-06-24 Frequently Asked Questions about the Divine Love experience and our own soul and spirit guides There are many questions asked about a Divine Love experience how to receive the Divine Love and how one can physically feel the Divine Love Many of us have been introduced to the Divine Love by the form of spirit communication and this work follows this introduction This book is a

perfect book for beginnings involving Divine Love and spirit guides *The unity and harmony in God's word, as found in the Bible, the world, and man* John Coutts (of Highbury.),1881 **God's Generation of Hope** Carl Barrett,2024-11-27 In a day and age where society and culture are veering further away from the teachings of God s word in homes globally it is becoming more and more evident that there is a breakdown within the walls of family homes across this great land Undoubtedly these times of confusion in the home schools and communities are escalating each passing day creating more division and disheartenment With all the spiritual threats robbing people s children of Hope something within the walls of the home must change for the well being of these young ones today more than ever If parents and family leaders don t engage with their children and rein in these apparent issues they will continue to see a generation of people spiraling out of control This book God s Generation of Hope is going to reveal some heart wrenching and eye opening facts about how external forces are creeping inside the lives of families and creating a distance between the household and Almighty God Someone must take ownership immediately for the children s state of spiritual survival Parents action is needed today to instill the Living Hope in the lives of the younger generation like never before *Concordia Triglotta* Friedrich Bente,William Herman Theodore Dau,1921 **Seeing God** David Nelmes,2011-08-11 Is God a God of love or a God of fear I believe God is a God of love so this book was written to clearly show that God is a God of love and that He does not teach through fear or use fear in any way The ancient angry jealous and fearful God depicted in many writings does not reflect his true image God is a God of peace God is a God of harmony God is a God of everlasting joy **Metropolitan Pulpit and Homiletic Monthly** ,1925

Revival Addresses Reuben Archer Torrey,1903 *To Know God* Morris L. Venden,1983 **Bible studies: the Internat.
