Complete Kama Sutra:

The Complete Kama Sutra, 1994-01-01 This definitive volume is the first modern translation of Vatsyayana's Kama Sutra to include two essential commentaries: the Jayamangala of Yashodhara and the modern Hindi commentary by Devadatta Shastri. Alain Daniélou spent four years comparing versions of the Kama Sutra in Sanskrit, Hindi, Bengali, and English, drawing on his intimate experience of India to preserve the full explicitness of the original. I wanted to demystify India, he writes, to show that a period of great civilization of high culture is forcibly a period of great liberty. *The Complete Kama Sutra* Danielou Alain, 1994 The Complete Kamasutra THE WORLD'S OLDEST AND MOST WIDELY READ GUIDE to the pleasures and techniques of sex the Kama Sutra was compiled in the fourth century A D by a Brahmin and religious scholar named Vatsyayana who worked from texts dating b

The Complete Kama Sutra, 1993-12-01 The world's oldest and most widely read guide to the pleasures and techniques of sex the Kama Sutra was compiled in the fourth century A D by a Brahmin and religious scholar name Vatsyayana who worked from texts dating back to the fourth century B C Until the present the only English translation of his Hindu love classic was that of the famous English explorer Sir Richard Burton published in 1883 Unlike Burton's version Alain Daniélou's new translation preserves the numbered verse divisions of the original and includes two essential commentaries: the Fayamangala commentary written in Sanskrit by Yashodhara during the Middle Ages and a modern Hindi commentary by Devadatta Shastri. Whereas Burton's Victorian reluctance to translate certain terms obscured our understanding of the philosophy and techniques of the Kama Sutra Daniélou has preserved the full explicitness of the original dealing with everything from the art of scratching to relations with the wives of others. Realistic and pragmatic in its approach the Kama Sutra deals without ambiguity or hypocrisy with all aspects of sexual life including marriage, adultery, prostitution, group sex, sadomasochism, male and female homosexuality, and transvestism. The text paints a fascinating portrait of an India whose openness to sexuality gave rise to a highly developed expression of the erotic.

The Complete Illustrated Kama Sutra Lance Dane, 2003-10-07 A fully illustrated Kama Sutra from the extraordinary and rare art collection of Lance Dane. The first complete translation to illustrate all 64 sexual postures described in the Kama Sutra. Includes 269 rare images. Composed by one of the world's foremost scholars of the Kama Sutra and Indian art. The erotic sentiments described in the Hindu love classic the Kama Sutra constitute the most famous work on sex ever created. Written almost 2,000 years ago the Kama Sutra deals with all aspects of sexual life including the principles and techniques of sexual pleasure and how to best achieve ecstatic expression of life's beauty. In this complete and illustrated guide Lance Dane accompanies the Kama Sutra text with 269 illustrations and great works of art that encompass coins, palm leaf manuscripts, sculptures, ancient toys, jewelry, architecture, ivory combs, birch bark cloth, paintings, frescoes, and scrolls. Gathered from museums and private collections around the world as well as the author's own collection of over 300,000 photographs, these rare images clearly illustrate all 64 sexual positions and the erotic instructions set forth in the Kama Sutra. The result is a

Tritiya-Prakriti: People of the Third Sex Amara Das Wilhelm,2010-05-18 Tritiya Prakriti People of the Third Sex is a collection of years of research into a topic seldom discussed or easily found within the Hindu Vedic scriptural canon Based entirely upon authentic Sanskrit references and modern concurring facts the book guides us through the original Hindu concept of a third sex defined as homosexuals transgenders and the intersexed how such people were constructively incorporated into ancient Indian society and how foreign influences eventually eroded away that noble system It discusses how this concept can be practically applied in today s modern world the importance of all inclusiveness in human society and the spiritual principle of learning to transcend material designations altogether Tritiya Prakriti People of the Third Sex will be a valuable source of reference for anyone interested in Hindu LGBTI studies whether they are newcomers to the field or seasoned veterans of Vedic knowledge It offers a veritable treasure trove of fresh information and ideas that will likely challenge the reader to rediscover and rethink Hinduism s traditional understanding and treatment of gay lesbian and other gender variant people within its culture The recognition of a third sex in ancient India and Hinduism is highly relevant in many ways Our own modern day society has only recently begun to understand sexual orientation transgender identity and intersex conditions and our legal and social systems are just beginning to catch up with and accommodate such

people in a fair and realistic way yet ancient India had already addressed and previously resolved this issue many thousands of years ago in the course of its own civilization's development. Indeed, there is much we can learn from ancient India's knowledge regarding the recognition and accommodation of a third sex within society. Amara Das Wilhelm: In India, there is a system where such people, the third sex, have their own society, and whenever there is some good occasion like marriage or childbirth, they go there and pray to God that this child may be very long living. A. C. Bhaktivedanta Swami Prabhupada: Gay and lesbian people have always been a part of society from Vedic times to our postmodern times. They should be accepted for what they are in terms of their sexual orientation and encouraged like everyone else to pursue spiritual life. B. V. Tripurari Swami: Initially, I did not really allow myself to go deep in trying to understand the third sex. I figured that this was necessary only for those who are insensitive, arrogant, and fundamentalist, who think that they are compassionate and tolerant while basically being superficial and even condescending. It is quite amazing how most of us can be so prejudiced about so many things and not even know it. I thank you and several others for your compassion and for your tolerance in making efforts to educate your Godfamily so that we can be more authentic servants of the servant. H. H. Bhakti Tirtha Swami
