

WHAT DOES THE BIBLE SAY ABOUT BIRTH CONTROL?

Bible Birth Control

John Clover Monsma

Bible Birth Control:

The Christian Case against Contraception Bryan C. Hodge, 2010-01-01 Evangelicals often give little thought to the morality of contraception but when they do serious studies of the subject are scarce if not non-existent. The Christian Case against Contraception seeks to fill this gap by evaluating the practice not from personal preferences or mere experience but from the four major theological disciplines of Christianity: Historical, Biblical, Systematic, and Practical Theology and Ethics. The book begins with a contrastive analysis between secular and ecclesiastical culture and thought concerning the subject of contraception and the purpose of the sexual act. The claims of the Church that contraception is morally unacceptable is examined further as the book takes the reader on a journey through biblical, systematic, and practical arguments which establish the foundations of the Historic Church's claim. Opposing arguments are evaluated as to their strength and validity. In fact, Hodge stirs the debate with a challenge that he has yet to see Christians set forth a valid biblical argument in support of contraceptive practices. For the reader seeking to place procreative ethics under the lordship of Christ, *The Christian Case against Contraception* offers a bold and clear way forward. Bryan Hodge approaches a subject that seems too often to be subject to our passions with sobriety and fidelity. He canvasses the wisdom of the church, stands firm on the authority of the Bible, and in so doing directs us all to greater obedience, greater faith, and in the end, greater joy. R. C. Sproul Jr., author of *Bound for Glory*.

What the Bible Says about Birth Control, Infertility, Reproductive Technology, and Adoption Wayne Grudem, 2021-01-28 New from Bestselling Author Wayne Grudem. Advances in technology offer couples wanting to have children more options than ever before: fertility treatment, methods of pre-fertilization, genetic screening, and embryo adoption. With all of these options available, plus the blessing of adoption, it can be difficult for Christian couples to determine which to consider when the Bible doesn't give explicit direction. Wayne Grudem applies biblical truth and ethical reasoning to help Christians navigate these questions as they seek to live out God's word in an ever-changing society.

The Contraception Deception: Catholic Teaching on Birth Control Patrick Coffin, 2018-05-01 *The Contraception Deception: Catholic Teaching on Birth Control* by author Patrick Coffin is a comprehensive assessment of the Church's sexual ethic. In this expanded, revised edition of *Sex Au Naturel: What It Is and Why It's Good for Your Marriage*, Coffin demonstrates how the rejection of *Humanae Vitae* impacts more than just our national birth rates. With relevant insight into the development and reception of Paul VI's landmark 1968 encyclical, Coffin explains why *Humanae Vitae* is more timely than ever. In *The Contraception Deception*, you'll learn where exactly the Bible teaches against birth control, the differences between contraception and natural family planning (hint: they're more profound than you think), why other reproductive technologies fall short of God's vision for marriage and family, and most importantly, how to rely on the ever-present grace of God rather than your own strength in faithfully following this challenging, life-giving aspect of Christian discipleship.
