**Liquid Scripture** Jeffrey S. Siker, 2017-09-01 The electronic Bible is here to stay, packaged in software on personal computers, available as apps on tablets and cell phones. Increasingly, students look at glowing screens to consult the Bible in class, and congregants do the same in Bible study and worship. Jeffrey S. Siker asks, what difference does it make to our experience of Scripture if we no longer hold a book in our hands if we again scroll through Scripture? How does the flow of electronic Scripture change our perception of the Bible's authority and significance? Siker discusses the difference made when early Christians adopted the codex rather than the scroll, and Gutenberg began the mass production of printed Bibles. He also reviews the latest research on how the reading brain processes digital texts and how churches use digital Bibles, including American Bible Society research and his own surveys of church leaders. Siker asks, does the proliferation of electronic translations reduce the perceived seriousness of Scripture? Does it promote an individualistic response to the Bible? How does the change from a physical Bible affect liturgical practice? His synthesis of the advantages and risks of the digitized Bible merits serious reflection in classrooms and churches alike.

**At the Master's Side** Stephen Poxon, 2017-11-17 An illustrated year's worth of dog stories with reflections on aspects of God's character, together with verses of Scripture to encourage, inform, and possibly even amuse. It might be that a line from a reflection will lead you towards a deeper concept. It might be that a thought provides a timely contemplation for the day relevant to your circumstances and concerns. Anyone who has ever owned a dog knows that their company enhances your life. Anyone who has walked day by day in the company of the Almighty knows that His presence transforms your life. Stephen Poxon combines these truths, reflecting day by day on how the dogs he has known speak to him of some aspect of God's nature. A walk with a dog can easily become a walk with your God, too. As a dog devotee who tries to follow God, these readings bring reminders of His love. As the seasons change and experiences vary between good, bad, and indifferent, our relationship with a loving Heavenly Father remains a rewarding
