Theological Bible Commentary Gail R. O'Day, David L. Petersen, 2009-04-28. Most one-volume Bible commentaries focus on standard scholarly issues, answering questions such as who wrote the book, who was addressed, and how is the book structured. In contrast, this is the first one-volume commentary to emphasize theological questions: what does each biblical book say about God, how does the book describe God, and portray God's actions, and who is God in these biblical books. This volume meets the need for a resource that puts the best of scholarship in conversation with the theological claims of the biblical text.

Matthew Douglas R. A. Hare, 2009-06-29. This commentary proceeds unit by unit, not verse by verse, to emphasize what each passage of Matthew means to the author of the Gospel and to the modern church. Douglas Hare shows that the purpose of Matthew's writing is to convince Christians that a genuine faith in Christ must be demonstrated in daily obedience, and that faith and ethics are two sides of the same coin.
