Bible Explained Version 20:

King James Version Bible Commentary for Today Thomas Nelson, 2023-05-30 Every generation seeks to apply the Bible's timeless truth about God to its context. The King James Version Bible Commentary for Today is just that: the most up-to-date commentary on the time-honored text of the King James Version, written by a trusted team of conservative scholars. This volume approaches the Bible with humility and respect as they explore its meaning for our generation. The King James Version Bible Commentary for Today provides readers and students of the Bible with clear explanations of the antiquated English vocabulary of the King James text, as well as the Hebrew, Aramaic, and Greek words that form the original languages of the Bible. It also focuses on the intended meaning of the original authors, providing linguistic, historical, and archaeological insights that illuminate the biblical text for seasoned and new Bible readers. Features include: New material by respected scholars; The best in conservative scholarship from multiple denominations; Illuminating verse-by-verse expositions that shed light on the meaning of Scripture; Nontechnical and jargon-free; No need to know Hebrew or Greek; 14 maps help readers understand the world of the Old Testament and New Testament. The MacArthur Bible Commentary John F. MacArthur, 2005-05-08 Unleashing God's Truth, One Verse at a Time. Serious students of Scripture can easily lose their focus among the many Bible commentaries available today, studying for hours yet discovering no meaningful application of God's eternal truth. This one-volume commentary on the entire Bible from one of America's foremost Bible expositors offers instead a minilibrary of understandable resources designed to convey the Bible's overarching message with historical and theological clarity. Pastor and teacher John MacArthur covers the complete Bible, every passage of the Old and New Testaments, phrase by phrase in this valuable one-volume resource. Hundreds of additional study tools complement the commentary, such as Word studies, Charts, graphs, and brief articles. Overviews of each major division of the Bible. Introductions to each biblical book. A summary of essential Christian theology. Special sections on Jesus's life and ministry. Harmonies of historical writings. Guidance in studying, applying, and teaching God's Word. Readers benefit from the coherence a single commentator provides, finding faithful, understandable, and relevant resources for any passage from the entire Bible. Consistent elements include exploring God's character, seeing Christ in all Scripture, and identifying key doctrines, vital people, and touchstone Scripture passages. The MacArthur Bible Commentary offers pastors, Bible teachers, serious Bible readers, and anyone seeking to read and understand the Scriptures a way to focus their studies while still seeing the entire Bible's application to the Christian life.
