**The Bible in Christian Education** Iris V. Cully, 1995 Iris V Cully explores the use of the Bible in the education of children youth and adults She assesses the role of the Bible in worship in spiritual life in moral development and in other areas as well

**The Place of the Bible in Education** Alonzo T. Jones, 2005 Christian education has all but disappeared from the majority of educational systems around the world As governments limit or banish God from among our schools in the name of separation of church and state we find the very foundation upon which many schools began disintegrating before our eyes This is not a new problem Over the centuries people have had the same concern of what is true education and the place of religion in the educational system Among these were the newly devoted Christians arising from the Great Advent movement sweeping North America during the 18th and 19th century Author Alonzo T Jones an important figure in Great Advent movement felt that Christians should take a solid look at the educational systems of that day Jones believed that true Christian education was the only becoming choice to Christians In *The Place of the Bible in Education* he outlines according to the Bible what exactly Christian education looks like He also explores the true meaning of the separation between church and state and how Christian education does not fall under such discrimination In this book he discusses how secular education falls short of even the true meaning of education and how this has an adverse affect on our young people Jones shows how there is a Biblical precedent for true education and how the Bible should and can become part of the educational system

**Christian Education** Robert E. Clark, Lin Johnson, Allyn K. Sloat, 1991-10-22 Whether in the home or in the church or in a Christian school the challenge of contemporary Christian educators is to meet the academic needs of students while remaining unswerving in adherence to biblical principles *Christian Education Foundations for the Future* introduces you to the basics of a healthy Christian education program then takes you beyond showing you how to develop a fresh innovative Christian education program that will revitalize your church home or school
