Unlocking the Scriptures Hans Finzel, 2013-04-13 This updated classic leads the reader through the inductive Bible study process showing practically how to study the Bible for one's self With this tool Christians can learn to relevantly apply God's Word to their lives as His Spirit leads them personally rather than as some other leader might direct Originally published in 1986 Finzel's style remains very accessible providing practical examples that walk the reader through the steps of unpacking Scripture using actual passages to practice Free downloadable study guide and activities **The Public Library Journal** Cardiff (Wales). The Bible Knowledge Background Commentary Craig A. Evans, 2005 This commentary uses extreme detail to take the reader right into New Testament settings not through theology or word study but through the sights and sounds of the world where Christ and His disciples walked *The New Treasury of Scripture Knowledge* Thomas Nelson, 2024-03-26 An exhaustive cross referencing tool for interpreting Scripture with Scripture The Bible is its own best commentary To truly understand what the Bible teaches about a subject we must consult all of what the Bible itself says about it The New Treasury of Scripture Knowledge allows you to do just that providing a selection of other verses which shed light upon clarify or explain the verse you are consulting Unlike a concordance which is an alphabetical index to the words of the Bible the cross references given in the New Treasury are not merely to the same word but to the same or a related thought theme doctrine subject concept or literary motif even when expressed in entirely different words Special Features Indicates degree of clarity significance or relationship between references Can be used with any translation or edition of the Bible Is arranged like the Bible divided into the same books chapters and verses for ease of use Provides a far more complete selection of cross references than can be found in any other source Contains dozens of special study aids to help you develop powerful lessons or sermons straight from the Bible itself Contains multiple indexes subjects figures of speech etc Uses Strong's numbering system Uses a new font that makes it easier to read than previous versions No combination of other Bible study tools quite duplicates the carefully research and indexed content in The New Treasury of Scripture Knowledge When used effectively this invaluable resource will change your life **Public Library Journal** Cardiff Free Libraries, 1900
