Biblical Authority:

Engaging Biblical Authority William P. Brown, 2007-10-03 Is the Bible infallible as some churches claim Is it a historical document or a piece of literature as scholars suggest This helpful new book offers a brief introduction to the question of biblical authority using essays by sixteen scholars who use the Bible as the word of God in their own religious tradition and scholarship After William Brown introduces the basic issues of biblical authority each scholar presents a different but sympathetic view from his or her own perspective Included are traditional Reformed Lutheran Wesleyan Catholic Jewish and Orthodox views recent conservative and evangelical positions and critical African American Asian American Hispanic feminist and womanist perspectives Biblical Authority James T. Draper, Kenneth Keathley, 2001 Today as ever Scripture must be the absolute standard by which all things are judged **In God We Trust** Steve Ham, 2010 Author Steve Ham Director of Outreach at Answers in Genesis clearly delves into the issues of faith and God's authority in the life of the believer in order to prepare you to stand firm An intriguing exploration of why man was never meant to rule himself but instead to operate within an authoritative structure designed by God Biblical Authority John D. Woodbridge, 1982 With courtesy and restraint Professor Woodbridge administers a series of knock out blows to the confidently voiced claim that factual inerrancy is no authentic element in the historic Christian view of Scripture **Biblical Authority** Jack Rogers, 1984-02 **The Foundation of Biblical Authority** James Montgomery Boice, 1978 **The Structure of Biblical Authority** Meredith G. Sparks, 2020-02-27 No matter what side you're on or how you look at it we're living in a world that's filled with fake news and with lots of people who believe it How do Christians fit into this world In this book Kenton Sparks argues that certain approaches to biblical authority which assume that the Bible is a perfect book make Christians especially susceptible to the deceptions of fake news and cause us to embrace false understandings of the Bible and because of this about natural science social science various academic disciplines politics morals ethics and loads of other things The resulting damage to faith and Christian witness is significant Is there a better way to understand and honor biblical authority Yes We must restore God as the final authority over our interpretations of Scripture The path forward for this theological agenda was modeled by Jesus Christ in his interpretations of Scripture Whereas his contemporaries often followed the letter of the law or something akin to it Jesus taught that love for God and neighbor provided the proper foundation and destination for healthy readings and applications of the Bible If love required more radical internal commitments to the law Jesus demanded this of his audience where love required that we set aside the law's violent judgments he pointed his audience in the opposite direction In modeling this approach to Scripture Jesus taught as one with authority and thus showed us that when we interpret Scripture through the lens of divine love we give ourselves the best

Biblical inspiration and interpretation in conflict Evangelicals assert that the Bible is the infallible source and sole authority for Christian beliefs and living This premise is currently under fire from social and cultural mores AND more importantly from differences of biblical interpretation Contradictory opinions have arisen on several issues What exactly does the Bible claim What is the rightful role of women in the church and at home How do Christians evaluate homosexuality is it always a sin What is the church s role in social ethics Evangelicals at an Impasse considers these burning issues and offers helpful guidelines Robert K Johnston seeks to bridge the gaps among the biblical writers the church fathers and contemporary humanity He offers an effective way for Christians and more specifically evangelicals to understand the Bible as it relates to theology tradition and culture Johnston considers the issues the facts surrounding them social practices the pros and cons on each question and provides striking insights in his conclusions conclusions NOT solutions Evangelicals and other Christians in fact anyone interested in religion in America will find this a fascinating and remarkable book
