*Biblical Truths* ENOCH A. ANTI, 2011-12-01 1 Corinthians 2 9 But as it is written Eye hath not seen nor ear heard neither have entered into the heart of man the things which God hath prepared for them that love him is a verse in the Bible that has been sadly misquoted and misapplied amongst most Christians if not the majority Most Christians with this Scripture have created the impression that they do not know what God has prepared for those who love Him That is a very unfortunate belief because the above scripture has nothing to do with Christians it is solely a reference to the prince of the world and unbelievers Biblical Truth points out the main difference between the wisdom of God and the wisdom of the world It also differentiates between the natural man and the spiritual man BIBLICAL TRUTH Knowing what God has prepared for You seek to bring out the truth in 1 Corinthians 2 9 and expound on it to let the Believer understand that The Holy Spirit reveals to those who love God the things He has prepared for them 1 Corinthians 2 10 Blessed are your EYES for they SEE and your EARS for they HEAR Matthew 13 16 In Biblical Truth I touched on the natural senses organs of the human body eyes ears and heart mentioned in 1 Corinthians 2 9 and how God through these senses which has spiritual symbolism shows us who believe the things He has prepared for us In Chapter One I have expounded on 1 Corinthians 2 to provide a background for the book The eyes symbolic of Sight Visions and Dreams Where there is no vision the people perish Proverbs 29 18a is in Chapter Two The ear in Chapter Three is symbolic of hearing from God And thine ears shall hear a word behind thee saying This is the way walk ye in it when ye turn to the right hand and when ye turn to the left Isaiah 30 21 and the heart Chapter Four is symbolic of Faith with the heart we believe Romans 10 10 The other Chapters further explain how to put our faith to work and Chapter Seven which is my favourite Chapter speaks about Heaven Our Glorification which is the final work of redemption revealed by God

**Transformational Preaching** David M. Brown, 2003-02 Transformational Preaching Theory and practice is a comprehensive textbook for the beginning student of preaching the graduate student in pulpit discourse or the seasoned preacher Seeking to reclaim the pulpit for biblical preaching the book counteracts the popular teaching approach that is common today and argues that preaching must be persuasive rather than informative that the preacher is central to the act of preaching and that through the preaching event both preacher and listener together fashion the message and its meaning Both theoretical and highly practical the book offers a challenging look at all aspects of the preaching ministry It contextualizes preaching in pastoral ministry and congregational worship but most significantly argues that the practice of preaching must be informed and driven by theory As such the book draws from a wide perspective of disciplines including biblical theology classical rhetoric contemporary human communication public discourse persuasion linguistics performance and orality The book's wealth of practical guidelines for every step of sermon development encourages students to apply

general principles within their own contexts of ministry [How to Study and Interpret the Holy Bible](#) Ivan Lane,2023-05-12 Rather than telling you what to think author and expert Ivan Lane teaches you how to define biblical words and cross reference scripture to interpret biblical truth for yourself Mr Lane helps to make readable sense of the Bible by helping you learn how to understand biblical language and symbolic words He does this by using a very unique method of interpreting the Bible that he calls The Definitive Method You will learn what books to use and how to use them in order to interpret any verse in the Bible in the context in which it was written This book appeals to beginners and advanced students alike because it is written in laymen terms with basic and advanced techniques of interpreting the Bible Mr Lane takes you deep into symbolism so that you can understand the spiritual aspect of the Bible for your edification and spiritual growth Every technique is shown with easy step by step examples for your understanding [Bible Society record](#) ,1894 **The Biblical Review** ,1918 **Never Give Up** Michael Youssef,2022-03-01 What if the answers to our modern crises are found in ancient truths This book will give you the hope and courage you need to stay firm in your faith despite the circumstances going on around you You will keep your devotion to God and boldly share your faith The truth of the gospel is in great danger Biblical beliefs are being attacked Biblical morality is being assaulted Christians are being insulted for holding to the ancient truths found in the Scriptures We are in a fight to be heard and not canceled to share our faith amidst the cancel culture What is God's message to us this day What does He want from us in these troubled times Resilience Courage Faithfulness His call to us is to never give up Never give up on the infallible Word of God Never give up on the faith once delivered In his last letter the aged and imprisoned apostle Paul realized that his final days were approaching So he wrote his last legacy message for his beloved Timothy and for future generations of disciples namely you and me In Never Give Up Dr Michael Youssef echoes the words of the apostle Paul so that we may experience encouragement and know triumph in the midst of defeat With a sense of urgency we are called to the steadfast service of a certain conviction Despite hardship and suffering we can learn to be unwavering in our devotion As followers of Jesus too often we are tempted to throw in the towel give up the fight and give in to fear But we must not let that be our reality We have not been abandoned God is here Yet conviction is needed and service is required No matter what comes our way we must never give up **Hearing John's Voice** M. Eugene Boring,2019-11-05 This book is written in the conviction that the church is called into being and nourished by the Word of God that comes through Scripture But how can Scripture offer any specific guidance for hearers lives today What are modern readers to make of the dragons and slaughtered lambs in the book of Revelation What are we to make of a man who turns water into wine while comparing himself to bread Can people today know what the Bible says and means The world of the Bible is strange and distant not only in time and space but also in language culture and in its basic assumptions about reality The first task in both pulpit and pew is not to be in too great a hurry to overcome this distance but to acknowledge it and respect it Communication across the gap is the task of the church's preachers and teachers Drawing on his years of teaching

and study Gene Boring offers a way of opening the ears of those who take the message of the Bible seriously a message from a world different from our own Beginning with Revelation Gene provides a historically informed and pastorally sensitive reading of the various Johannine voices in the New Testament for contemporary preachers and teachers *Through the Bible, Through the Year* John Stott, 2011-08 These unique daily readings from the late scholar John Stott take readers through the Bible and the church year simultaneously as they grow closer to God Now in paper **Culture V. Christ** Charles J. Prichard, 2014-05 What has happened to the American Christian church Divorce rates are skyrocketing children are not being raised to fear God and follow His commands and families are being ripped apart The truth is that all areas of our life get twisted when we stray from the perfect guidance and laws of the Word of God When we avoid looking at these important life subjects through the lens of the gospel we fall flat on our faces As a society we have developed so many different nuances that contradict God's Word There are many people in the church who have looked to culture and have conformed to the godless patterns of this world Why do we so easily fall into the temptation to justify our sins and excuse our shortcomings Is it possible that many born again Christians are missing the mark more often than they think Are there many who do not have a biblical understanding on how they should live raise a family or cultivate a marriage who wander through life casually and turn to culture for guidance advice and encouragement and then wonder why their marriages or families crumble as soon as hardships arise who believe in Christ but have ultimately decided to follow culture instead This is a call for families all over the world to flee from sin and live radically for Jesus Christ At the author's request all royalties will be given to help orphans and widows around the world through nonprofit Christian organizations Biblical Dogmatics A.
