Spanish for Gay Men (Spanish That Was Never Taught in the Classroom!) Jonathan L. Charles, 2012-02 After thirty plus years teaching high school and college Spanish there are many things that have not been taught at those levels Remember how frustrating it was wondering how to say words and phrases about sex and especially gay sex So I decided to compile this book just for you so you do not have to wonder any more This book will include just about everything that you have ever wanted to know and much much more A great percent of the book was written on my travels to the many Spanish speaking countries and through interviews with countless native speakers Gay of course I have been to Spain four times spending weeks upon weeks in most all of the provinces Over the past 35 years my travels to Latin America have been more extensive living and studying in Mexico for over a year with over 40 return trips to most of the entire country exploring the enriching culture of our neighbors to the southern boarder Within the past 15 years I have explored the colorful cultural riches of Guatemala spending months with the guatemaltecos I have also had the pleasure of three fantastic magical adventures to Peru which were truly spiritual experiences that enlightened and enriched me greatly Other Spanish speaking countries that I have traveled and explored are Puerto Rico Costa Rica Panama Bolivia Brazil Uruguay and yes Argentina I wish to thank many friends and colleagues for their encouragement to write this book They have read my work and have given me many helpful suggestions to finalize the process
