Chinese Indentured Labour in the Dutch East Indies, 1880-1942 Gregor Benton,2022-09-19 This book offers a comprehensive account of indentured Chinese labour in the Dutch East Indies between 1880 and 1942 particularly in its twilight years after 1917 The author shows that Chinese indenture started and evolved differently from other forms of bonded labour in Southeast Asia and globally including its Indian and Javanese variants This difference is reflected in its lexicon which was in part special to the Chinese strain Using fieldwork findings from the tin islands of Bangka and Belitung and the Deli plantations on Sumatra as well as archival materials in Dutch Chinese and other languages held in libraries in Java Nanjing Taipei Hong Kong and Leiden this book presents cutting edge research that sets out to contribute to the revising of our historical understanding of indenture Get Rid of the Performance Review! Samuel A. Culbert,2010-04-14 The performance review It is one of the most insidious most damaging and yet most ubiquitous of corporate activities We all hate it And yet nobody does anything about it Until now Straight talking Sam Culbert management guru and UCLA professor minces no words as he puts managers on notice that with the performance review as their weapon of choice they have built a

corporate culture based on intimidation and fear Teaming up with Wall Street Journal Senior Editor Lawrence Rout he shows us why performance reviews are bogus and how they undermine both creativity and productivity And he puts a good deal of the blame squarely on human resources professionals who perpetuate the very practice that they should be trying to eliminate But Culbert does more than merely tear down He also offers a substitute the performance preview that will actually accomplish the tasks that performance reviews were supposed to but never will holding people accountable for their actions and their results and giving managers and their employees the kind of feedback they need for improving their skills and to give the company more of what it needs With passion humor and a rare insight into what motivates all of us to do our best Culbert offers all of us a chance to be better managers better employees and indeed better people Culbert has long said his goal is to make the world of work fit for human consumption Get Rid of the Performance Review shows us how to do just that
