Big Blue Dream:

Thoughts, Dreams, and Poetry Alie E. Kamara, 2016-11-29 *Thoughts Dreams and Poetry* was created out of the will for creativity and exploratory imagination it's what I'll call an artistic vagabond's dream For the painters writers musician filmmaker's of the new age and for the scoundrels or misfit souls looking for lantern to lead you home this one is for you I merely don't create poetry I create dreams and for the reader who's fascination has lead them down several turnpikes the cost of a Kaleidoscopic rabbit hole is most certainly worth the ride Come with me and my twist and turns of humanity and I'll reveal the illusion of magic within us all *Thoughts Dreams and Poetry* is a thought provoking engaging poetry collection I find your work reminiscent of beat poetry for example Allen Ginsberg's work and as such it is a delight to read out loud Your poems have a unique beat and rhythm that makes reading and or hearing them most enjoyable Elizabeth Siegel Your poems are filled with careful word choices that evoke strong images Within each poem these distinct images slowly build upon each other until they mesh to reveal a bigger picture with an observation truth or message for the reader This is an effective and powerful way to share your creativity and vision with others Elizabeth Siegel

To Be Someone Louise Voss, 2003-06-03 No matter how the lyrics of your life are written how you play the song is up to you Helena Nicholls is no ordinary girl In fact she's famous For many years she was the bassist and lyricist for Blue Idea a band worshiped by adoring fans all over the world throughout the eighties Following their breakup Helena switched gears and became the most popular morning DJ in London with her all request show Listeners could call her and request songs but Helena wouldn't play them until the callers gave the details of why they wanted her to play them where they were when they first heard the song what they were wearing who they were with and why the song means so much to them The show's success put Helena back on the map but now all that's over After a night of partying ends in a horrible accident Helena wakes up in a hospital bed As she groggily opens her eyes she realizes that her irresponsible behavior so completely uncharacteristic of her has left her bruised and battered The doctors tell her it will take months to recover who knows if her wounded ego will ever heal To make matters worse the accident has made international headlines Her boss unhappy with all the negative publicity has bad news she has been fired from her prime time radio show and offered a humiliating demotion to the two a m slot the graveyard shift Desperate depressed and sure her life is over Helena comes up with the Plan She is going to create a playlist of songs that have defined her life and write her autobiography using these songs as the chapters As the Plan begins to unfold so does this poignant funny compulsively readable novel Stringing the most important aspects of her life together with pop songs from the seventies eighties and nineties Helena starts to deal with all of the unsettled parts of her past and the uncertainty of her future Whether she's confronting a new love interest or mourning the recent death of her lifelong best girlfriend Helena continues to find solace and wisdom in the one thing that has gotten her through every crisis music Only one question remains What will she do for an encore A High Fidelity for women *To Be Someone* is a hip and engaging novel featuring a
