Mark Growt,2019-12-04 Dropshipping is a newer retail concept which means there is going to be some uncomfortable feelings no matter how experienced you are in selling and the online realm When you venture into something new like this you will be nervous about how it will go Do not let this fear hold you back from getting started right away A wise man once said the best time to plant a tree was 10 years ago the next best time is now Now is the time to start Now is the time to research your product and niche and get it out there to build customers passive income and independence If you stumble onto a problem in your dropshipping business that you do not know the answer for take the time to look it up The

online retail industry is changing along with the desires of the customer this means dropshipping changes too This book holds the answers to a lot of your beginning and basic questions but for those more challenging ones that you encounter go online and learn from more of the best Google and YouTube offer several additional resources for help and there are also online forums for dropshippers to talk and help one another Even though scaling is much different in dropshipping it is still important You may not have to expand your warehouse space storefront or inventory but you still need to make sure you are reaching more and more customers to build your customer base and are advertising well for the growing number of people Scaling is important but how you do it is different For example when you have a product that is a good seller you need to reinvest in your business to create more ads for it As you create more ads make sure they are working for you and then recreate this process as often as possible If you are bringing in 700 every day and profiting 500 from that revenue take a few more hundred and put it back into advertising You need to increase your ads and get more visibility Again remember that this visibility must be on a relevant platform and aligned with the interests of your niche Your niche may shift and grow with your business so always make sure your message reflects whom they are Below are the real golden nuggets you will understand when you actually start and dive into the world of dropshipping If you haven't done it yet then it's much harder to understand Everybody learns from experience so you will learn these if you are an outsider You will want to know and understand when you are operating your online dropshipping business It will give you an idea of the areas that need fine tuning so you can become an expert and properly execute outsourcing for yourself The following is covered in this book The advantages of dropshipping How to start up Market research and selection of a product Dropshipping order fulfillment Dealing with product returns and customer service How to advertise online Facebook ads How to compete with other drop shipping companies Common mistakes Tips for delivering a seamless customer experience Automating your store What's in a winning product AND MORE The aim of this book was to help you get started and convert at your highest level But that does not mean that the following topics are not worth discussing and understanding as well Scroll up and click Buy Now button
