Bible Bitches:

Bible Bitches Teresa Ali-Olivas, 1999 Following is the reality regarding women in the Old Testament in less archaic terms than used in the Bible Sarai Abraham's wife prostitutes herself per husband's orders Dinah is labeled strumpet and harlot by her brothers Tamar is a temporary holy lady red hooker here Miriam not a prostitute but was swindled by Moses and God Rahab ran a red light district on the walls of Jericho Delilah acts like a harlot Bathsheba practices adultery Queen Jezebel is OK Gomer is a whore If you can let yourself get past the title you will be drawn into a magical world of wonderful long ago women A critique was done of what had been written and then I was coerced by these enterprising ladies into giving them a voice They guided my fingers over the key board tapping out words in glee One more person not only women giving them admittance to the human race The title is harsh but the reality written about them is more so A kinder title would be hypocritical and no different than the usual cover up of what was written about them A reality that has been hidden and camouflaged A reality that has been rationalized and excused Reality in the Bible is about ripping out unborn babies from women's abdomens fathers throwing out virginal daughters to packs of demented males for their sexual gratification fallen women being burned stoned etc while the men who made up the other half of the action remained upright God led pillars of their societies Reality is men speaking for God Reality in the Bible is the silence of women The last chapter deals with current statistics on the victimization of women by controlling males today There are 3 800 animal shelters in our country and 1 500 shelters for battered women and their children This is incomprehensible The bias against women as demonstrated in the Bible is still flourishing Subtlety and openly 2000 years later Would a book by Hippocrates the father of medicine written in 350 BC be used today as a text for health care Bible Bitches is an effort to facing up and moving on The text is endnoted with sources so that the material written can be verified Be aware the scenario written in Bible Bitches deviates greatly from the religious concept usually preached

How the One-Armed Sister Sweeps Her House Cherie Jones, 2021-02-02 In the tradition of Zadie Smith and Marlon James a brilliant Caribbean writer delivers a powerful story about four people each desperate to escape their legacy of violence in a so called paradise In Baxter s Beach Barbados Lala s grandmother Wilma tells the story of the one armed sister It s a cautionary tale about what happens to girls who disobey their mothers and go into the Baxter s Tunnels When she s grown Lala lives on the beach with her husband Adan a petty criminal with endless charisma whose thwarted burglary of one of the beach mansions sets off a chain of events with terrible consequences A gunshot no one was meant to witness A new mother whose baby is found lifeless on the beach A woman torn between two worlds and incapacitated by grief And two men driven into the Tunnels by desperation and greed who attempt a crime that will risk their freedom and their lives How the One Armed Sister Sweeps Her House is an intimate and visceral portrayal of interconnected lives across race and class in a rapidly changing resort town told by an astonishing new author of literary fiction One of 2021 s Most Anticipated New Fiction The Millions Lit Hub O Magazine Elle com Entertainment Weekly Minneapolis Star Tribune Bustle **Wood's Bible**

Pure-bred Dogs, American Kennel Gazette, 1968-12 **The Bad Bitch Bible** Kristopher Welcome, 2020-05-16 The Bad Bitch Bible is written to enforce a more realistic way of thinking about the uncomfortable and inconvenient situations life presents Though many think being a Bad Bitch is based on appearance it s truly about the total person and how they deal with life s ups and downs The book in totality will help you expand your circle of control while limiting your margin of

concern Chapters such as A Bad Bitch Ain t Hating and a Hating Bitch Ain t Bad Don t Be Stupid Bitch Let It Go Bitch and You Can t Take Your Bitches Everywhere keep the energy spicy and present life lessons that we all should come to terms with The book is a simple read that will enforce a new way of analyzing life s bullshit so that you can still push toward your goals even when opposition is attempting to throw you off course Bad Bitches aren t easily defeated and this book is the reminder that there is nothing too hard to get past This is the debut work of Kristopher Welcome as an author His tone is light hearted and warm however the messages are intentional and driven by his own personal experiences with life Though the book is targeted to a female audience the book has lessons that transcend race gender and sexual identity The goal is to make readers find their strength in themselves as everyone should seek to serve as their own anchor when the waves of life start to rage

Hannah's Child Stanley Hauerwas,2013-02-11 In 2001 Stanley Hauerwas was voted America s best theologian by Time Magazine Here are Hauerwas long awaited memoirs A loving hard working godly couple has long been denied a family of their own Finally the wife makes a deal with God if he blesses her with a child she will dedicate that child to God s service The result of that prayer was the birth of an influential some say prophetic voice Surprisingly this is not the biblical story of Samuel but the account of Stanley Hauerwas one of today s leading theologians in the church and the academy The story of Hauerwas journey into Christian discipleship is captivating and inspiring With genuine humility he describes his intellectual struggles with faith how he has dealt with the reality of marriage to a mentally ill partner and the gift of friendships that have influenced his character Throughout the narrative shines Hauerwas conviction that the tale of his life is worth telling only because of the greater Christian story providing foundation and direction for his own Bitch ,2008

God in My Mama's House Othal Hawthorne Lakey,Betty Beene Stephens,1994 **The Re-Education of the Female** Dante Moore,2008-07-15 A no holds barred look inside the mind of today s Black male and how he perceives relates and responds to the modern day African American female Usually when it comes to breaking down relationships between men and women you hear advice from over the hill psychologists or unqualified doctors but not the average male and never a masculine brother with any kind of urban flavor The Re Education of the Female changes that For years women have been the more communicative gender Now women will have an idea of what the men in their lives may be thinking and in some cases why they think a certain way Women will gain insight on some of the actions and behaviors portrayed by men which once may have been deemed judgmental insensitive or just plain rude Dante Moore has depicted the male psyche from many different angles on how a man not only perceives women but how one relates and responds to them as well It s written in black and white with a no holds barred approach forcing women to take a step back and think a moment before engaging in conversations relationships affairs sexual encounters and more with the opposite sex Keeping it real and delivering the all out truth was undoubtedly Moore s main focus when writing this book Although candid and direct this book will prove to be very enlightening as it gives intimate details on what men are looking for physically mentally socially and emotionally versus

what they are actually witnessing experiencing and in some cases tolerating A mature and open minded intellect will really understand and appreciate this representation of the male point of view This book is the perfect starting point for women to evaluate themselves with a little more detail before pointing fingers and tossing blame at the endless reasons surrounding why they can't find a good man **Marcus Brutus** Paul Foster,1977 Lyceum ,1982 Original poetry short fiction drama photography and artwork submitted by students alumni faculty and staff of the University of Michigan Dearborn

Wimbush,2008 Historically religious scriptures are defined as holy texts that are considered to be beyond the abilities of the layperson to interpret Their content is most frequently analyzed by clerics who do not question the underlying political or social implications of the text but use the writing to convey messages to their congregations about how to live a holy existence In this innovative collection of essays that aims to turn the traditional bible study definition of scriptures on its head Vincent L Wimbush leads an in depth look at the social cultural and racial meanings invested in these texts Watson's Jeffersonian Magazine Thomas Edward Watson,1909
