Bible Code 2 The Countdown:

Bible Code II Michael Drosnin, 2003-10-28 The Bible code the ancient code encrypted in the Bible that may reveal our future was made known to the world by investigative reporter Michael Drosnin Now he reveals startling new predictions warning that we may have only three years to stop the countdown to Armageddon This dramatic account opens on the morning of September 11 2001 when Drosnin witnessed the attack on the World Trade Center and then found the terrible event predicted in detail in the 3 000 year old Bible code But according to the code September 11 was only the beginning The Bible code says we are already in the End of Days the Apocalypse foretold by all three major religions of the West Drosnin has traveled the globe to meet with world leaders to prevent the impending danger and to search for the Code Key a long buried ancient object that may completely unlock the Bible code just in time to save our world *The Bible Code* Michael Drosnin, 1997 Vol 2 has title Bible code II the countdown *The Bible Code 2*. Michael Drosnin, 2003-09 A sequel to The Bible Code A hidden code in the Bible has been unlocked by computer and it may reveal our future The author claims that the code foresaw everything from World War II to both Kennedy assassinations and that it forces us to accept that we are not alone in the universe

Getting the Old Testament Steven L. Bridge, 2009-07-01 As readers of texts written in antiquity we frequently find ourselves in the position of one who overhears a conversation without the benefit of its context The likelihood of humorous or tragic misunderstanding is palpable In *Getting the Old Testament What It Meant to Them What It Means for Us* Steve Bridge examines a number of important texts and genres found in the Old Testament By bringing what is known of their original historical and literary context to light he clearly demonstrates how important it is to know the cultural background of those to whom a text was originally addressed Bridge helps us as modern readers to grasp the intended significance of these ancient texts Using modern illustrations from Bart Simpson to fortune cookies and discussing texts from Genesis to Jonah to Ecclesiastes Bridge succeeds in making difficult texts come alive for the reader as applying practically to modern life Each chapter begins with a story event or illustration that draws the reader into the point which Bridge wishes to make with regard to the clearest understanding of a particular text or given group of texts The most poignant of these illustrations is found at the beginning of his chapter on the book of Job in which he starts with the story of Lou Gehrig and the disease that took his life ALS known more commonly as Lou Gehrig's Disease and which ends with his own father's death from ALS An annotated list of suggested readings as well as subject and scripture indexes make this a practical book for college classes

The Wise Shall Understand Charles Huntley Clever, 2009-04 The Bible has only one encrypted part that says The words are closed up and sealed till the time of the end Daniel 12 9 The author read many different Bible translations from Genesis to Revelation searching for the hidden key to open that last day Bible code

Discovering the key in 1974 he realized it was hidden because it applies today especially for this significant time of history It not only proves Jesus is the Messiah the sacrificial Lamb of God and identifies the Abomination of Desolation that Christ warned us of but defines the exact boundaries of earth s participation in the cosmic conflict between good and evil these points are greatly misunderstood and subjects of controversy among most major religions One minister who read an advanced copy of *The Wise Shall Understand* said We have been reading the Bible with grandpa s glasses on How true And this author requests you read this publication with spiritual enlightenment allowing God to impress you with facts that have been overlooked yet are validated in the Bible Today our society is overwhelmed with hatred agnosticism rebellion atheism and a zeal for God but not according to godliness World condition mandates this important message be made available to the public so the author paused in his missionary work in Latin America to have it published in book form
