often gets pushed to the bottom of their to do lists But you should remember that spiritual growth should happen from the inside out If you are serious with your walk with God and in giving Him more time more than you do your daily tasks you must learn to put God at the top of your priority list Try doing this As you get up from bed and shower praise God for the cleansing through Jesus sacrifice at the cross When you pour your cup of coffee ask God to empty you so that you may long for him more and be filled by His presence throughout the day As you get dressed for work and put on your accessories thank Him for beautifying your life with the fruits of the Spirit Ask God to soften your heart as He leads you through the day Give thanks to Him for being the foundation of your life and ask Him to give you eyes to see His works in your life Acknowledging God in everything you do even in the tiniest details of your life will help you develop a closer connection with Him Being in the presence of God does not always mean going to church or praying in your knees it is a constant communication with your creator a constant meeting a time with Him Developing this kind of attitude will change your life and how you come to God He is just there waiting to be recognized to be approached Open your doors to Him and He will surely open His arms to you Conducting a Bible study for men and a Bible study for women will help a lot in your walk with Him May this day be the beginning of your fruitful walk with the Lord and your better understanding of His Word Learn the Easy Steps to Fully Understanding the Bible Get Your Copy Now ___ Bible Bible study for men Bible study for women Christians Jesus Bible Verses God Jesus Christ Lord Prayer Bible Bible Study The Bible Jesus Christ Jesus Christ Holy Bible Bible Verses God Bible commentary bible study for women bible study guide The Bible Prayer catholic catholic bible catholic books **The Bible Knowledge Word Study** Darrell Bock,2006 Analyzes words in biblical context rather than providing a simple dictionary definition Gives Verse by verse commentary in a neat clear easy to read format **Basic Bible Understanding 101** Crossfire,2017-03-12 Basic Bible Understanding 101 is a short book and a good starting place on the path of better and correct Bible understanding A few basic terms are discussed that can make a lot of difference in a person s Bible Study Every Christian should read this book they will be glad that they did **Read the Bible for Life** George H. Buehrens,2003 An Introduction for Skeptics Seekers and Religious Liberals A thoughtful warm and witty introduction Understanding the Bible is designed to help empower skeptics seekers nonbelievers and those of a liberal and progressive outlook to reclaim the Bible from literalists In making accessible some of the best contemporary historical literary political and feminist readings of the Hebrew and Christian scriptures it encourages all who would find in the biblical heritage an ally and not an enemy in the quest for a more just and humane world Brief and to the point it can easily be used to stimulate group discussions and personal reading of the biblical texts themselves and is an excellent introduction to the Judeo Christian tradition for those of other faiths Understanding the Bible includes four preliminary chapters on the why who which and how of biblical understanding

followed by eight brief thematic chapters covering the core of the Hebrew Bible and six covering the Christian scriptures plus chronologies maps and helpful suggestions for further reading John Buehrens was president of the Unitarian Universalist Association from 1993 to 2001 and is now minister of the First Parish in Needham Massachusetts and special assistant to the secretary general of the World Conference of Religions for Peace He is coauthor with Forrest Church of A Chosen Faith Beacon 1617 9 15 00 pb Praise for Understanding the Bible Biblical literacy is not just for Biblical literalists To grasp the nuances of Western art and literature or the religious subtext of Western law and society requires a working knowledge of the Hebrew and Christian scriptures Yet to the uninitiated the Bible is daunting One opens its pages only to get lost in its maze John Buehrens has performed a great service for the many religious liberals and seekers who would explore the Bible if only they could find a trusted guide Addressed to thoughtful skeptics who know enough to be skeptical of their own ignorance Understanding the Bible is an accessible unpretentious introduction to the most influential writings of all time Forrest Church author of The American Creed and Lifecraft The Art of Meaning in the Everyday Understanding the Bible is a thoughtful and honest introduction to the tragedy compassion mercy justice grief and ecstasy that we share with the tellers of biblical stories and with the stories themselves Read Buehrens enlightening as well as entertaining work and you almost certainly will find yourself learning thinking and laughing as you reach for a copy of the Bible to read it again or for the first time C Welton Gaddy President The Interfaith Alliance Spiritual seekers of a liberal persuasion have too often dismissed the Bible perhaps because of unhappy childhood experiences with literal interpretations The Bible is neither history nor science but rather stories of human struggle and divine presence throughout that struggle John Buehrens engages us in the powerful stories of the Judeo Christian scripture returning to us a rich heritage without which we would be both culturally and spiritually impoverished Marilyn Sewell editor of Cries of the Spirit If with Saint Augustine you believe in thinking and wish to think in believing John Buehrens book is for you He spells out clearly the historic importance and textual complexities of the Bible which then enables you to stand face to face soul to soul with blazing biblical insights sorely needed in these dark days William Sloane Coffin author of A Passion for the Possible
