concentrated with his head bowed With one hand he brushes his hair back He turns to the audience An enormous applause evolves to standing ovations Ludwig turns and lifts his arms toward the audience He turns back to orchestra and again lifts his arms Finally he again faces the audience and stands with the orchestra and the singers behind him He smiles and almost laughs totally delighted as though he cannot believe the achievement The musicians zap their instruments as their standing applause Ludwig again lifts his arms and embraces the audience He bows deeply He turns around and walks between the musicians toward the door to the concert corridor leaving the undiminished applause behind The singers follow him
