*Arctic Exodus* Dick North, 2005 Originally published Toronto Macmillan of Canada c1991 *Yukon* Polly Evans, 2010 Canada's Yukon is one of the world's last great wildernesses where bears moose and caribou roam It's a place where hikers paddlers skiers and mushers can travel for days without seeing another human soul where the northern lights dance green and red across starry skies and where glaciers tumble mountain peaks soar and tundra shrubs scream scarlet as summer turns to fall Bradt's Yukon is the only guidebook dedicated to this natural and historical wonderland Offering practical advice on everything from where to pan for gold to how to avoid being eaten by a bear alongside quirky anecdotes such as the story behind the sourtoe cocktail a shot of whisky garnished with a severed human toe it's the perfect companion for highway drivers cruise ship passengers and outdoors enthusiasts alike

**Alone in Silence** Barbara E. Kelcey, 2001-09-21 Kelcey details their struggles with the domestic realities of setting up a home or living in the hostile conditions imposed by the geography as well as their need to adjust the way they worked The rich sources left by Christian missionaries provide details of missionary women caught up in the zeal of their vocation but held within the confines of a paternal church The letters and reports of the Grey Nuns who worked alongside the Oblate Fathers in the Mackenzie indicate the hardships imposed by their situation but also show how driven they were by their missionary purpose *Alone in Silence* is the first book to address the anonymity of European women in the north Kelcey draws from a diverse field of sources making use of published and primary sources so scattered that there has been no previous sense of collective memories By giving voice to this neglected group she offers a unique perspective on the vast literature on life in the north
