Are You There Alone? Suzanne O'Malley, 2004-02-02 Suzanne O Malley takes a close look at the Andrea Yates murder trial and discovers medical misjudgment professional negligence misapplied law and a revelation that led to the overturning of Yates s conviction It took a jury less than four hours to find Houston housewife Andrea Yates guilty of the drowning deaths of three of her five children and a mere half hour to sentence the troubled woman with a stunning history of severe mental problems to life in prison But beyond the media coverage of her heinous crimes there is a story that only investigative reporter Suzanne O Malley has fully illuminated This updated edition of *Are You There Alone* features a new chapter on the appeal of the Yates case as well as personal updates on both Andrea and Rusty Yates Having drawn upon hundreds of interviews with expert witnesses close friends family advisers and Andrea and Rusty themselves O Malley has produced a riveting true crime account that shatters our notions about criminal law mental illness death penalty politics and religious fanaticism in America today

hospitals in the 1960s which led to more patients living on their own as the reason for this high rate of incarceration But this explanation does not justify why our society has chosen to treat these people with punitive measures In *Crime Punishment and Mental Illness* Patricia E Erickson and Steven K Erickson explore how societal beliefs about free will and moral responsibility have shaped current policies and they identify the differences among the goals ethos and actions of the legal and health care systems Drawing on high profile cases the authors provide a critical analysis of topics including legal standards for competency insanity versus mental illness sex offenders psychologically disturbed juveniles the injury and death rates of mentally ill prisoners due to the inappropriate use of force the high level of suicide and the release of mentally ill individuals from jails and prisons who have received little or no treatment *People*, 2004-03 *Dangerous Women* Larry A.
