New York Court of Appeals. Records and Briefs. New York (State). Court of Appeals.,1935 Volume contains Unreported Case Sparkill Realty Corp v State of N Y **Contemplating the Role of an Intensive Care Doctor** Diane Dennis,Peter Vernon van Heerden,Michael Ruppe,2025-08-30 The intensive care unit ICU is a specialized hospital ward where people with life threatening conditions receive around the clock monitoring and life support It is here that the sickest of the sick patients are managed and there is a large spectrum of challenging working conditions that may cause significant psychological stress to those who function in them There is a growing body of evidence supporting the increasing prevalence of mental health issues among the medical fraternity The notion of professional burnout syndrome in the intensive care specialty is well described in the literature and is perceived to be due to the workload and acuity of the field Contemplating the Role of the Intensive Care Doctor brings together an experienced group of intensivists and other clinicians to provide further commentary related to the observations and generous reflections of those interviewed The main focus is on the need for young doctors to contemplate their own personality and the intensive care environment itself to prepare themselves to work within the specialty and have longevity and good health while doing so The book is comprised of eighteen chapters that explore personality traits various allocations of role the working environment and the complex nature of communication between peers teams and families It aims to facilitate the resilience of young doctors by challenging their perception of themselves and of those around them We hope that by exploring these narratives these doctors will be better prepared to manage their potential vulnerability within the ICU medical team Supreme Court Appellate Division Third Department ,
