Arguing About Sex Joseph Monti,1995-07-01 This book is about current issues in sexual morality the Christian church and moral argument in late modernity

True Sexual Morality Daniel R. Heimbach,2004-11-09 Daniel Heimbach examines the biblical teachings on sexual morality as well as four counterfeit views that have crept into our sexually revolutionized society He gives us an in depth look at the moral relativism that has spread through our culture and opens our eyes to the effects that nonbiblical sexual choices have on individuals the family the church and the culture

The Acting Person and Christian Moral Life Darlene Fozard Weaver,2011-11-18 What may we say about the significance of particular moral actions for one's relationship with God In this provocative analysis of contemporary Catholic moral theology Darlene Fozard Weaver shows the person as a moral agent acting in relation to God Using an overarching theological context of sinful estrangement from and gracious reconciliation in God Weaver shows how individuals negotiate their relationships with God in and through their involvement with others and the world Much of current Christian ethics focuses more on persons and their virtues and vices exemplified by the work of virtue ethicists or on sinful social structures illustrated in the work of liberation theologians These judgments fail to appreciate the reflexive character of human action and neglect the way our actions negotiate our response to God Weaver develops a theologically robust moral anthropology that advances Christian understanding of persons and moral actions and contends we can better understand the theological import of moral actions by seeing ourselves as creatures who live move and have our being in God

Sexual Diversity and Catholicism Joseph Andrew Coray,2001 The Roman Catholic Church has in recent decades sent mixed signals with regard to discrimination based on sexual identity On the one hand official documents have condemned violence and verbal abuse directed at persons of different sexual orientation on the other hand the Church has approved and lobbied for certain types of discrimination in housing and employment for example and also with regard to marriage or civil unions *Sexual Diversity and Catholicism* focuses specifically on Roman Catholic magisterial teachings on sexual diversity It also wrestles with explicitly Roman Catholic views of the relationship among various sources of moral

The Meaning of Sex Dennis P. Hollinger,2009-06-01 Our culture is not only sex crazed but also deeply confused about sex and sexual ethics Unfortunately Christians seem equally confused and the church has tended to respond with simplistic answers The reason for this confusion is that the meaning of sex has been largely lost Dennis Hollinger argues that there is indeed a God given meaning to sex This meaning found in the Christian worldview provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues The Meaning of Sex provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing including premarital sex sex within marriage homosexuality reproductive technologies and faithful living in a sex obsessed world

Taking Sides : Clashing Views on Moral Issues Stephen Satris,2008 [Un/familiar Theology](#) Susannah Cornwall,2017-06-15 Through engagement with theologies of adoption pro natalism marriage and queer theology Susannah Cornwall figures developments in models of marriage and family not as distortions of or divergences from the divinely ordained blueprint but as developments already of a piece with these institution s being Much Christian theological discussion of family sex and marriage seems to claim that they are or should be unchanging and immaculate that to celebrate their shifting and developing natures is to reject them as good gifts of God However models of marriage family parenting and reproduction have changed and are still in some cases radically changing These changes are not all a raging tide to be turned back but in continuity with goods deeply embedded in the

tradition Alternative forms of marriage and family stand as signs of the hope of the possibility of change Changed institutions such as same sex marriage are new beginnings with the potential to be fruitful and generative in their own right In them humans create new imaginaries which more fully acknowledge the interactive nature of our relationships with the world and the divine

The Idea of a Christian University Jeff Astley,Leslie J. Francis,John Sullivan,Andrew Walker,2004 Today the academy is in a state of turmoil torn apart by market driven pressures systematic underfunding by central government overworked and highly stressed staff increased student numbers and an ever widening division between research led and teaching led institutions All this is a far cry from the religiously inspired ideals of Christian higher education which underpinned the foundation of so many centres of learning across the U K Europe North America and Australasia In this timely and provocative collection of essays scholars from across the world re examine the idea of a Christian university and offer a radical alternative vision for the future of the academy Theologians from Anglican Orthodox Catholic and Protestant traditions engage both with the historic roots from which the idea of the Christian University emerges and with the contemporary challenges and opportunities faced by higher education today Contributors include Professor Sam Berry Professor David Carr Dr Gavin D Costa Dr Gerard Loughlin Dr Patricia Malone Professor Ian Markham Professor Adrian Thatcher and Dr Elmer Thiessen
