ARGUMENTS

People for Safe Beaches claimed:

The great white shark is a murderer. It has taken the lives of men, women and children. As a murderer, it should be hunted down and jailed or destroyed to make our beaches safe to enjoy.

People for Sea Life Conservation countered:

The great white shark is so different from any other fish in the sea; it eats to survive. The shark is like an eagle who combs the sea in search of food.

We do not treat eagles like criminals just because they kill to survive. Therefore, we should not treat the great white shark like a criminal because it kills to survive.
