Ariel's Light Heidi Davis,2024-06-27 Heidi Davis had a loving husband and five beautiful children but also she loved to drink She justified her alcohol dependency until it was too late and she woke up to find herself lost and full of despair and loneliness Then a light shone in the darkness It was her teenage daughter Ariel who pulled her back from the ledge and inspired Heidi to be the mother she had always wanted to be But just seven months into her sobriety tragedy struck and the unthinkable happened Ariel s Light is the true story of Heidi s road to redemption amidst a mother s unimaginable heartbreak This is not just another story about alcoholism not just a testimonial but an inspirational testament to the fact that truly anything is possible when you are willing to listen to the quiet yet powerful voice from within **Ariel's Gift** Erica

Wagner,2016-08-08 Erica Wagner provides a comprehensive guide to the poems that must constitute one of the most extraordinary and powerful volumes published in the last century When Ted Hughes s Birthday Letters was published in 1998 it was greeted with astonishment and acclaim Few suspected that Ted Hughes had been at work for a quarter of a century on a cycle of poems addressed almost entirely to his first wife the American poet Sylvia Plath In Ariel s Gift Erica Wagner offers a commentary on the poems pointing the reader towards the events that shaped them and crucially showing how they draw upon Plath s own work Alliance Eternity Daniel Giroux,2011-10-18 When Robyn and Ariel meet for the first time they are captivated by each other even so neither could possibly predict the journey they are about to take together Together they will come to discover the true meaning of the term soul mate But soon after they discover one another they find themselves pulled into a complicated conflict that is ripping their world apart The two become pawns in a deadly struggle for power as the decisions struggles personal histories and future aspirations of those around them wrap the two deeper into paths they never envisioned Each new development tests their evolving relationship and only they can protect

what they have built together Their adventures bring them to a place where they must confront what awaits everyone beyond the veil of death Through it all they must choose to embrace the inevitable growth that comes from suffering Can love triumph over fear Will they ever know the truth Each must now enter the battle over what they believe and what they choose to endure on their own They have access to a source of guidance not accessible to all and their quest is to fulfill personal destinies In the end what is your quest

Postfeminist Discourse in Shakespeare's The Tempest and Warner's Indigo Natali Boğosyan,2013-05-24 A scrupulous study of Shakespeare s The Tempest and its most comprehensive rewriting Indigo or Mapping the Waters by Marina Warner Taking as its focus representations of femininity and the other the study scrutinises the various implications of three concepts ambivalence liminality and plurality in terms of their relevance to the conjunctures of postfeminism and post colonialism proposing that postfeminist discourse is in search of a new ethics and perspective that mainly champion these three terms through the employment of intertextuality as a strategy The study is careful to carry out a comparative analysis of the works in terms of both poetics and politics Informed by interdisciplinarity the study explores how The Tempest destabilises itself inviting a deconstructionist reading in terms of its relation to patriarchal and colonial dynamics ingrained in the play and how Indigo takes its substantial space among other rewritings of The Tempest by presenting new and imaginative ways of seeing the female and feminised figures in the play
