Ariel ,2011 *A Silver Key to a Golden Palace* Alton Leslie,1881 *The Role of Music in Shakespeare's 'The Tempest'* Anna Miller,2012-07-06 Essay from the year 2011 in the subject English Language and Literature Studies Literature grade 1 3 University of Tübingen language English abstract Content I Introduction 1 II Analysis and Interpretation 1 1 Music as Message 1 2 Music as Essential Part of the Play 4 3 Music as Power Tool 5 III Conclusion 7 IV Bibliography 8 I Introduction The Tempest is full of music singing and dancing Every act and every scene has at least one musical element This is not very surprising as Shakespeare had his own musicians whom he did not have to pay and thus he could afford such a variety of music The whole play takes place on a desert island which is inhabited by only three people Particularly the unusual soundscape shall underpin s the strangeness of the island Shakespeare Introduction 23 4 Hearing all the songs accompanied by solemn music is not only spectacular for the audience even Caliban whom we know as a rude and uneducated native of the island is fascinated by the isle which is full of noises Sounds and sweet airs that give delight and hurt not 3 2 127 128 Thus

he wants to calm his new friends Stephano and Trinculo who had never seen and heard such things Moreover Ariel casts a spell over Ferdinand with his music and he follows it although he has just shipwrecked and a different behaviour would be expected in the case of such a catastrophe We can see that music has a huge impact on both the figures in the play and the audience as this drama was actually written to be performed rather than to be read Nonetheless it is not enough to say that music is only used to create a nice background sound for the play One can even go so far and say that music plays the main role and the whole play only revolves around music In order to prove this I will show in the following the important functions of music and musical elements Firstly I would like to demonstrate the music s function as a message for both the figures and the audience secondly the music s function as an essential part of the play and last but not least the most important function music as a power tool for Prospero and in a sense also for Ariel
