During his time in the Pacific Melville served on three whaling ships as well as on a U S Navy man of war As a deserter from one whaleship he spent four weeks among the cannibals of Nukahiva in the Marquesas seeing those islands in a relatively untouched state before they were irrevocably changed by French annexation in 1842 Rebellng against duty on another ship he was held as a prisoner in a native calaboose in Tahiti He prowled South American ports while on liberty hunted giant tortoises in the Galapagos Islands and explored the islands of Eimeo Moorea and Maui He also saw the Society and Sandwich Hawaiian Islands when the Western missionary presence was at its height Heflin combed the logbooks of any ship at sea at the time of Melville s voyages and examined nineteenth century newspaper items especially the marine intelligence columns for mention of Melville s vessels He also studied British consular records pertaining to the mutiny aboard the Australian whaler Lucy Ann an insurrection in which Melville participated and which inspired his second novel Omoo Distilling the life s work of a leading Melville expert into book form for the first time this scrupulously edited volume is the most in depth account ever published of Melville s years on whaleships and how those singular experiences influenced his writing

Voyage of Ice Michele Torrey,2009-04-02 All Nick ever wanted to be was a whaling captain like his father before him What could be more glorious than the life of a whaleman battling mighty sperm whales and returning home rich as Midas So when his older brother Dexter signs aboard the Sea Hawk Nick won t stand to be left behind But life at sea is very different from what either Dexter or Nick expected They are mercilessly overworked by a cruel and dangerous captain The officers think nothing of beating the crewmen within an inch of their lives And that s only the beginning When an awful turn of fate leaves them stranded in the harsh Arctic winter they encounter the toughest battle of all and this one is for their very survival Herringshaw's American Blue-book of Biography ,1914 History of New Bedford Zephaniah Walter Pease,1918 Bibliotheca Americana Joseph Sabin,1875 Hawaiian National Bibliography, 1780-1900 David W.
