Israel/Palestine and the Politics of a Two-State Solution Thomas G. Mitchell,2013-05-27 This is a dispassionate examination of the viability of a two state solution in the Israeli Palestinian conflict based on the politics of Israel Palestine and the United States It includes instructive case studies from South Africa in Namibia and the Irish claim to Northern Ireland The results of Israeli elections from 2001 to 2013 are analyzed with the conclusion that the Likud will be in any government coalition for at least the midterm future giving it a veto over policy A chapter examining the history and ideology of the secular right over the last 90 years follows There are three chapters of case studies the Likud withdrawal from the Sinai in 1979 1982 and from Gaza in 2005 the withdrawal of South Africa from Namibia in 1988 1989 and the dropping of Ireland s constitutional claim to Northern Ireland in 1998 under a Fianna Fail government the same party that wrote the constitution in 1937 A chapter examines Palestinian politics since the mandatory era and another the American Israeli alliance and American politics A concluding chapter draws lessons from the case studies and the analysis

Be Strong and of Good Courage Dennis Ross,David Makovsky,2019-09-03 Modern Israel s founding fathers provided some of the boldest and most principled leadership of any nation now Israel needs their example more than ever Modern Israel s founding fathers provided some of the boldest and most principled leadership of any nation Now Israel needs their example more than ever At a time when the political destiny of Israel is more uncertain than at any

moment since its modern founding Be Strong and of Good Courage celebrates the defining generation of leaders who took on the task of safeguarding the country's future David Ben Gurion Menachem Begin Yitzhak Rabin and Ariel Sharon were all present at the creation of the new nation in 1948 Over the next sixty years each experienced moments when the country's existence was directly imperiled In those moments Israel needed extraordinary acts of leadership and strategic judgment to secure its future and these leaders rose to the occasion The strength they showed allowed them to prevail Today Israel may be on the verge of sacrificing the essential character that its greatest citizens fought to secure This is the story of that epic struggle

The Collapse of Middle East Peace Dennis J. Deeb II, 2003 In this fast paced well researched work author Dennis D J Deeb objectively traces the rise and fall of the Oslo Peace Accords between the Israelis and the Palestinians What went wrong with peace This work analyzes Israeli leader Ariel Sharon's statements and past record as a military and government leader with regards to the Peace Process Deeb also discusses the corruption within the Palestinian Authority that has hindered the peace process including the mismanagement of Palestinian Authority President Yasir Arafat The author examines and supports what has become known as The Mitchell Report released in the spring 2001 in offering a lasting peace between Israelis and Palestinians He also considers and evaluates the recent Road Map To Peace proposal offered by President George W Bush in the spring of 2003 Since 1993 both Israeli and Palestinian leaders have failed to implement and have violated provisions of the Oslo Accords As the late Israeli Prime Minister Yitzhak Rabin who gave his life in the name of peace and to whom this writing is dedicated articulated so clearly during the signing of the Oslo Accords enough blood and tears Finally Deeb argues that the intent behind the Oslo Accords encompass the link between the end of war and the era of peace that the Israelis and Palestinians should both return to the table for negotiations based upon the recommendations of The Mitchell Report and the Quartet Road Map To Peace to negotiate a final and lasting settlement rooted in the Oslo Peace Accords
