Crows Over A Wheatfield:

Crows Over the Wheatfield Adam Braver, 2006-05-23 On the advice of her lawyers and her husband Richard from whom she has recently separated but who has been caring for her Claire sets off on a research trip to Auvers France where van Gogh spent his last days determined to answer her questions about the artist and his masterpiece While in Auvers worrisome parallels between her life and that of the troubled painter begin to emerge and Claire realizes that she must reconcile herself to her past in order to reunite the forces that make her whole **BOOK JACKET** **Crows Over a Wheatfield** Paula Sharp, 1996-08-08 Judge Melanie Klonecki herself the daughter of an abusive father becomes involved personally and professionally with Mildred Steck a woman who kidnaps her child to protect him from his father and who unwittingly launches a crusade for women trapped in abusive relationships *Christ of the Coal Yards* Harry Eiss, 2010-02-19 No one heard the shot No one ever found the gun It was Sunday July 27 1890 Vincent had recently finished *Wheatfield with Crows* thought to be his final painting one that he described as representing vast fields of wheat beneath troubled skies one where he said in a letter he meant to send to Theo I did not need to go out of my way to try to express cheerlessness and extreme loneliness The letter never got sent but was found stuffed in his smock That morning as usual he walked out into the wheat fields with his easel brushes tubes of color and folding stool perhaps hoping to reach his destination before the gang of local boys and girls were up and able to tease him and throw tomatoes Le Crau a wide plain of ripe grain fields of citron yellow tan and ochre spread out beneath the bright Provencal sun It s safe to assume he heard the cicadas singing loudly the swiping swishes of the farmers scythes already cutting through the rich wheat stalks the gusts of wind whispering through the olive branches Driven and filled with energy for months he had been quickly with an assurance that overcame and perhaps even came from his doubts and struggles putting his own dramatic visions on canvas after canvas But today he did not go into the fields to paint or perhaps in the beginning he did perhaps in the morning that was his intention No one will ever know He said he brought the revolver to frighten off the crows Possibly that was his original intention when he included it with his lunch of bread and milk In the end it s probably not relevant except for the endless attempts to analyze him to dig into his complex psyche at once brilliant and yet impelled to self destruction The Ravoux family were sitting on the terrace of their caf when he returned a bit concerned because he was late but not overly so When he finally appeared his walk was more uneven than usual and he held his hand over his stomach Monsieur Vincent Mrs Ravoux said we were worried we are glad to see you come Has anything bad happened No but I he left his reply unfinished as he passed inside Mr Ravoux followed him upstairs where he found him sitting on his bed facing the wall I wanted to kill myself This book is a critical examination of Vincent van Gogh that offers insights into his life his religious beliefs his relationships with women and of course his paintings It includes discussions of his letters and responds to many of the previous works about him dispelling some of the myths that have no foundation and pointing out how many of the claims made about him and many of the popular beliefs that

have grown up around him are at best guesswork It explores psychological neurological theological philosophical aesthetic and historical paradigms for comprehending his enigmatic and enticing personality **Antonin Artaud's Alternate Genealogies** John C. Stout,2006-01-01 Most readers know Antonin Artaud as a theorist of the theatre and as a playwright director and actor manqu Now John C Stout s highly original study installs Artaud as a writer and theorist of biography In **Alternate Genealogies** Stout analyzes two separate but interrelated preoccupations central to Artaud s work the self portrait and the family romance He shows how Artaud in several important but relatively neglected texts rewrites the life stories of historical and literary figures with whom he identifies for example Paolo Ucello Abelard Van Gogh and Shelley s Francesco Cenci in an attempt to reinvent himself through the image or life of another Throughout the book Stout focusses on Artaud s struggles to recover the sense of self that eludes him and to master the reproductive process by recreating the family in and as his own fantasies of it With this research John C Stout has added considerably to our understanding of Artaud His book will be much appreciated by theatre scholars Artaud specialists Freudians Lacanians and both theorists and practitioners of life writing **Van Gogh's crows over the wheatfield** T. Kodera,1996 **John Perceval** Traudi Allen,John Perceval,1992-01-01 Attractively illustrated book which explores the life and career of this renowned Australian artist from the 1920s to the present Contains a catalogue raisonné list of principal exhibitions summary of biographical details and an extensive bibliography are included The hardback is a limited edition **At Eternity's Gate** Kathleen Powers Erickson,1998 Based on Van Gogh s personal correspondence this biography shows the artist s pilgrimage of faith from his early religious training through his evangelical missionary periods to his struggle with religion and modernity 24 illustrations **The Psychoanalytic Review** ,1965 **The New Yorker** ,1998 **Anselm Kiefer/Paul Celan** Andréa Lauterwein,2007 The art of Anselm Kiefer is rich with references to writers philosophers and poets and his relationship with Paul Celan has been the most complex and intense of these dialogues with the past Celan s poetry inextricably linked with the memory of the Holocaust has haunted Kiefer s work for more than twenty five years and has influenced him on every level from the naming of works and exhibitions to the incorporation of symbolic materials from Celan s imagery sand straw hair and ashes into his paintings Like other German artists of his generation Kiefer began by questioning his own artistic heritage focusing on the iconographic and mythological elements of German culture that had been taken over by Nazi propaganda and subsequently repressed and buried deep in the collective unconscious It was his encounter with Celan s work in the early 1980s that first enabled him to escape from the vicious circle of fascination and disgust at the cultural ties that bound him to the Third Reich leading him to confront the subject of the Holocaust and Jewish memory as a whole and to embrace this body of traditions within his art Magnificently illustrated throughout with reproductions of Kiefer s best known works this book explores the intricate web of associations between the poet and the painter a network that is extended to embrace other artistic and literary figures such as Ingeborg Bachmann and Joseph Beuys **The Psychoanalytic Quarterly** Dorian
