Morris,1983-07-15 *Jacksonville Board of Trade Bulletin* ,1910 **The Ship of Dreams** Alistair Fox,2008 This is the first critical study to investigate at length how masculine subjectivities are represented in contemporary New Zealand fiction. Notoriously self contained and private Kiwi men are often reluctant to talk about their personal feelings and embarrassed at the thought that any private emotional difficulties could be exposed to critical examination. One must go to their imaginative literature to make contact with the reality that underlies the often calculatedly deceptive surface. In his investigation of these issues author Alistair Fox demonstrates the crucial importance of Pakeha and Maori cultural predispositions influencing masculine identity in New Zealand often at the cost of great psychic pain for the men involved. **Vanity Fair** ,1929
 Vogue ,1929 **Buried Dreams** Brendan DuBois,2005 Responding to a friend who claims that he has found evidence to prove that their small New Hampshire town had once been a Viking settlement Lewis Cole discovers that Jon Ericson had been murdered just after leaving him a message and sets out to uncover the truth about a crime in which the victim's estranged brother has become the prime suspect. *Erotic Universe* Donald Palumbo,1986-02-21 This comprehensive volume explores the relationship between sex and the fantastic in science fiction and fantasy literature. More than a dozen scholars have contributed essays in which they discuss almost two hundred novels, short stories, tales, plays, poems, myths, and nearly one hundred authors from Aldiss to Zelazny. The collection is divided into three main sections, the first of which is devoted to the theoretical analysis of the relationship between sexuality and the fantastic. This section contains essays on sexuality and the allure of fantasy and sexuality and knowledge in science fiction. The second section turns to thematic analyses and includes essays that explore such themes as sexuality and death, forbidden sexuality, sexual attitudes, and the search for ethics in contemporary culture, sex and technology, sexual encounters with aliens, sexuality and comedy, and homosexuality in fantasy and science fiction. The third section, devoted to feminist views of sexuality in fantastic literature, includes several studies of the depiction of sexuality in the works of female fantasists and focuses most closely on Russ Piersy, LeGuin, and Carter. Examined here is the potential use of science fiction as a vehicle for theorizing about women and for questioning their condition in society. The volume also includes an introductory overview and critical commentary on the literature and a comprehensive contributor compiled bibliography of primary works and scholarship on sexuality and related issues in fantastic literature. **Fantasy Newsletter** ,1981 *House & Garden* ,1929 **The Publishers Weekly** ,1873
