Crusader Conspiracy:

Crusader Conspiracy Lois M. Parker,1983 *Strategic Culture and Violent Non-State Actors* Edward D. Last,2020-07-12 This book applies strategic culture concepts to violent non state actors VNSAs in a comparative analysis In recent years Al Qaida in the Islamic Maghreb AQIM has become notorious for kidnapping Western hostages in north western Africa and for its role in the short lived Islamist takeover of Mali The group formerly known as the Salafist Group for Preaching and Combat rebranded itself as an Al Qaida franchise in 2007 leading to speculation of a change from its Algeria centric agenda to an anti Western one This study compares and contrasts the ideas and behaviour of these two groups using a strategic cultural approach and finds that despite some commonalities AQIM has a distinct strategic culture from Al Qaida central thereby debunking the notion of Al Qaida as a monolithic movement This is the first comparative analysis of violent non state actors to employ a strategic cultural approach and the first such study on AQIM While strategic culture has traditionally been applied to states this work adds to the emerging literature applying such approaches to non state armed groups and employs a novel conception of strategic culture consisting of narratives and practices This book will be of much interest to students of strategic culture political violence Middle Eastern politics and Security Studies in general **The Challenge of Political Islam** Rachel Scott,2010-04-23 Based on Islamist writings political tracts and interviews with Islamists this book examines Muslim Christian relations in Egypt from the perspective of Islamic conceptions of citizenship and provides non Muslim responses to those views The Caravan Thomas Hegghammer,2020-03-05 Traces Abdallah Azzam s path from a West Bank village to the battlefields of Afghanistan and explains why jihadism went global **The Weekly Crusader** ,1968 *Samlee's Daughter* Vivek Iyer,2007 *Islam in Southeast Asia* K. War offers a compelling account of the link between Muslim women's rights Islamist opposition to the West and the Global War on Terror. *Wanted Women* explores the experiences of two fascinating female champions from opposing sides of the conflict. Islam critic Ayaan Hirsi Ali and neuroscientist Aafia Siddiqui. With Emma's *War An Aid Worker A Warlord Radical Islam and the Politics of Oil* journalist Deborah Scroggins achieved major international acclaim now in *Wanted Women*. Scroggins again exposes a crucial untold story from the center of an ongoing ideological war laying bare the sexual and cultural stereotypes embraced by both sides of a conflict that threatens to engulf the world.
