**No Kids, No Money and a Chevy** Chuck Mansfield, 2003-09 PRAISE FOR CHUCK MANSFIELD'S NO KIDS NO MONEY AND A CHEVY A Politically Incorrect Memoir A New Book by a Former Marine and Vietnam War Veteran Of Chuck Mansfield's No Kids No Money and a Chevy award winning novelist and essayist Cynthia Ozick writes Chuck Mansfield is a first rate writer of wit charm and passion who applies a clarifying integrity to whatever subject his fine mind alights on Having been schooled in excellence he holds it as his lifelong standard and he is besides an embodiment of everything that is meant by the term American Hero courtly brave generous and in love with family faith and country To read his memoir is to rejoice in the warm presence of human devotion and intellect New York literary agency executive Jack Scoville calls No Kids No Money and a Chevy a fascinating read He writes Mansfield comes through clearly as a very remarkable man who commits to life and the task before him with passion and dedication and integrity Chaminade High School's reaction to the WTC tragedy indeed the ethos of the whole Chaminade experience was especially moving and individual tributes to some of Mansfield's fellow Marines quite affecting and inspiring Some of his viewpoints and assessments couldn't be more timely his critique of business practices fits right in with what we're learning about the frauds at Enron and Global Crossing and his judgments of some societal trends are also in keeping with the climate of public opinion that has produced the current successes of O'Reilly and Buchanan His litany of facts about the Vietnam War deserves to be widely circulated Retired English professor and writer Robert P. Meikle writes that everything in this book is the unfiltered Mansfield the impeccable use of language the meticulous attention to detail the total recall of dates Some are more successful than others when it comes to taking a really honest look at themselves The trick is to translate that self-awareness onto the written page It is that translation that Mansfield does so successfully This is a guy who not only has had a good life but who APPRECIATES all that he has had in it especially when it comes to family and friends That's an important distinction for that unknown reader to pick up on New York attorney Paul G. Burns has written Mansfield's work shares a problem common to each and every book that I totally and thoroughly enjoyed reading it had a last page an outstanding read Rear Admiral Paul T. Gillcrist USN Ret former Assistant Deputy Chief of Naval Operations Air Warfare aircraft carrier fighter pilot and author says I was enormously impressed The Vietnam Era section in Mansfield's book fully a third of the work represents the kind of personal

history that needs to be told about all wars but about Vietnam particularly According to P Henry Mueller retired Citigroup executive author and Marine veteran of World War II A page turner No Kids No Money and a Chevy is hard to put down The Vietnam portion is in the excellent style of Michener s Tales of the South Pacific The character descriptions throughout the book are well done The book is packed with interest and the politically incorrect views add an important and refreshing edge Not only that Mansfield present s his views in an instructive way CEO and business owner Donald J Steinert says I was most impressed with the way I am able to relate to your book as a former Marine Vietnam veteran Please visit [www chuckmansfield com](http://www.chuckmansfield.com) or contact Chuck Mansfield at 516 741 1443 or [chuckmans aol com](mailto:chuckmans@aol.com) Thank you
