women led by knights and ladies kings and queens embark on campaigns of fanatical conquest in the world of Islam The word Crusade came later but the concept of a war for the faith is an ancient one Geoffrey Hindley instructively unravels the story of the Christian military expeditions that have perturbed European history troubled Christian consciences and embittered Muslim attitudes towards the West He offers a lively record of the Crusades from the Middle East to the pagan Baltic and fascinating portraits of the major personalities from Godfrey of Bouillon the first Latin ruler of Jerusalem to Etienne the visionary French peasant boy who inspired the tragic Children s Crusade Addressing questions rarely considered Hindley sheds new light on pressing issues surrounding religious division and shows how the Crusades have helped to shape the modern world and relations between Christian and Muslim countries to this day
