IN the year 1719 an Englishman whose name was Daniel Defoe wrote a very long story which he called *The Life and Surprising Adventures of Robinson Crusoe* His story was not designed for children and therefore it contained a great deal of hard reading There was much in it however that was interesting to young people and from that day to this the marvelous tale of Robinson Crusoe has been a favorite with boys as well as men I have rewritten the story in words easy for every child and have shortened it by leaving out all the dull parts I WISH TO BE A SAILOR MY name is Robinson Crusoe I was born in the old city of York where there is a broad river with ships coming and going When I was a little boy I spent much of my time looking at the river How pleasant was the quiet stream flowing always flowing toward the far away sea *Robinson Crusoe for Boys and Girls* Lida Brown McMurry,Mary Hall Husted,1896 *An American Robinson Crusoe* Samuel. B. Allison,2026-02-24 AN AMERICAN ROBINSON CRUSOE is the outcome of many years of experience with the story in the early grades of elementary schools It was written to be used as a content in giving a knowledge of the beginning and development of human progress The aim is not just to furnish an interesting narrative but one that is true to the course of human development and the scientific and geographical facts of the island on which Robinson is supposed to have lived The excuse for departing so widely from the original story is to be found in the use which was desired to be made of it The story here presented is simply the free adaptation of the original narrative to the demand for a specific kind of content in a form which would be interesting to the children THERE ONCE lived in the city of New York a boy by the name of Robinson Crusoe He had a pleasant home His father and mother were kind to him and sent him to school They hoped that he would study hard and grow up to be a wise and useful man but he loved rather to run idle about the street than to go to school He was fond of playing along the River Hudson for he there saw the great ships come and go **Robinson Crusoe for Boys and Girls** Daniel Defoe,2020-04-16 *Robinson Crusoe* Lida Brown McMurry,2015-07-18 Excerpt from *Robinson Crusoe For Boys and Girls* This little book is the result of much experience in seeking to adapt the story of Robinson Crusoe to the literary attainments and educational needs of children in the primary schools It is supposed to follow the study of the *Classic Stories for Little Ones* and to precede the study of the *Pioneer History Stories* which recount the stirring events in the lives of those heroes who first broke ground for our American civilization in the Mississippi Valley Crusoe is the transition from myths and fairy tales where the imagination is untrammelled by the practical to the study of real biography Those events in DeFoe s story that are of doubtful educational value are omitted but it is believed that the child s interest in the narrative is not impaired thereby The language is that of children and Robinson seems to be telling his story to them About the Publisher *Forgotten Books* publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work *Forgotten Books* uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in

An American Robinson Crusoe for American Boys and Girls Samuel B. Samuel B. Allison, 2013-07-26 There once lived in the city of New York a boy by the name of Robinson Crusoe He had a pleasant home His father and mother were kind to him and sent him to school They hoped that he would study hard and grow up to be a wise and useful man but he loved rather to run idle about the street than to go to school He was fond of playing along the River Hudson for he there saw the great ships come and go They were as big as houses He watched them load and unload their cargoes and hundreds of people get off and on His father had told him that the ships came from far distant lands where lived many large animals and black men His father told him too that in these faraway countries the nuts on the trees grew to be as large as one s head and that the tree were as high as church steeples When Robinson saw the ships put out to sea he would watch them till they would disappear below the horizon far out in the ocean and think Oh if I could only go with them far away to see those strange countries Thus he would linger along the great river and wish he might find an opportunity of making a voyage Often it would be dark before he would get home When he came into the house his mother would meet him and say in a gentle voice Why Robinson how late you are in getting home You have been to the river again *An American Robinson Crusoe for American Boys and Girls* Samuel Buell Allison, 1918 **An American Robinson Crusoe for American Boys and Girls** Daniel Defoe, 2007

Robinson Crusoe, Told to the Children Daniel Defoe, 2022-06-10 Excerpt When Defoe wrote Robinson Crusoe nearly two hundred years ago boys had more time on their hands fewer books and fewer games than they have now and they as well as their fathers read it and loved it And when your father and I were boys though that is rather less than two hundred years ago we too used often to read it But boys nowadays do not seem to read Robinson Crusoe as they used to do It is too long they think and there is much in it that they have not time to read That is why I have written here in as few words as possible the tale of Robinson s twenty eight years in his Island and I hope that you and other boys will like it **Robinson Crusoe** Daniel Defoe, James Baldwin, 1928 **Robinson Crusoe for Boys & Girls ...** Daniel Defoe, 1923 **An American Robinson Crusoe for American Boys and Girls** Samuel Buell Allison, 2018-06-27
