Cry Of The Panther:

Cry of the Panther James P. McMullen,1996 A mans journey to document and understand the Florida panther helps him deal with his past experiences in Vietnam

Cry of the Panther James P. McMullen,1984 Returning from Vietnam carrying lead in his back the jungle in his mind the author disappears into the Florida Everglades the one place in America most like the jungles of Vietnam He begins to track the endangered Florida panther to savve it himself JAMES MCMULLEN lives in Naples Florida on the edge of the Everglades A surpassing statement about the great spirit that unites all living things MIAMI HERALD The author s relentless compassionate stalking of the panther is eerily projected against his uncontrollably returning combat experiences so that the Vietnam jungles the Everglades merge into a third realm where everything is nightmarish but also paradisiacal James Dickey NEW YORK TIMES BOOK REVIEW

Cry of the Panther Jeff Gulvin,2013-05-14 A love story of two childhood friends reunited by nature and a tragic past that recalls the magical power of The Horse Whisperer Scotland on Sunday Imogen was eight years old when her brother disappeared Her family was exploring the Sawtooth Range of Idaho along with her best friend a boy named Connla Compelled by a fearful premonition Imogen led authorities to her brother s body trapped and lifeless in the rushing river currents Then Imogen and Connla parted ways and never spoke of it again Nearly thirty years later Imogen has retreated to the mountains of Kintail in the Scottish Highlands where she finds peace as an artist painting the surrounding vistas Living in a secluded cabin in South Dakota Connla captures its untamed wilderness on film as a nature photographer Then sightings of a rare big cat set him on a trail that will bring him and Imogen together Still bound by the haunting memories of that tragic morning and pulled into the mystery of yet another vision Imogen and Connla must finally come to terms with the truth Jeff Gulvin s novel of redemptive love and the beauties and mysteries of nature is ideal for fans of Nicholas Evans Strong on romance Gulvin s passionate interest in animals and his charismatic lovers make for compulsive reading Scotland on Sunday

Angus & Robertson and the British Trade in Australian Books, 19301970 Jason D. Ensor,2013-10 Angus Robertson and the British Trade in Australian Books 1930 1970 traces the history of the printed book in Australia particularly the production and business context that mediated Australia s literary and cultural ties to Britain for much of the twentieth century This study focuses on the London operations

of one of Australia's premier book publishers of the twentieth century Angus Robertson The book argues that despite the obvious limitations of a British dominated market Australian publishers had room to manoeuvre in it It questions the ways in which Angus Robertson replicated challenged or transformed the often highly criticised commercial practices of British publishers in order to develop an export trade for Australian books in the United Kingdom This book is the answer to the current void in the literary market for a substantial history of Australia's largest publisher and its role in the development of Australia's export book trade
