Léo Pomar

was trained as a bard and schooled in the ways of battle But his heart and calling were greater than a warrior s Son of the great Taliesin the song of his father coursed through his soul Yet his life and mission were to be his own And though sovereignty was his he would lay it aside to serve a king of his own choosing As his powers transcended those of mortal men so too would his trials his griefs and the dark might of his most fearsome enemy In the twilight of Tome s rule over the Island of the Mighty as smaller men vied for ascendancy his would be the hand to lay the foundations of a new order the Kingdom of Summer and Arthur Pendragon of Britain Merlin is book two in the Pendragon Cycle *Young Merlin* Robert D. San Souci,1990 Presents the life of Merlin the magician from his miraculous birth through the age of seventeen before he met King Arthur [Merlin's Calling](#) Mark Ettin,2002-04 LE CRI DE MERLIN DIARY FRAGMENT 1 UNDERSPELL To be encased in stone is both an otherworldly blessing and a maiden s curse To refer to my current condition as entombed would be to speak with imprecision This will not do since much of magic as I learned it from Blaise as a young boy is in the words and of course in how they are strung together like a talisman emboldened by fetishes and charms No I am not dead but rather immobilized spirit unmoved without a body to transport it My state is rather meditative Though deep in the earth resonances from above penetrate this rock hard cathedral that has become my terrestrial home Like a blind man I grope for the nature of the times Perhaps this subterranean abode is only fitting given my preference when in flesh for caves under the great halls of kings The solitude to a point also befits me I never cared much for the company of men or women that is until the end of my earthly life on the surface Blind love for a particular women the wily vixen Nimue and as powerful a spell as has ever been cast rendered me thus But I get ahead of myself The story will come out in time which is now my most abundant commodity I must tell you that the rumblings from above have been fierce and persistent Methinks the time for my release may be approaching with the coming age How I know this is not clear but then prescience has no set form nor manner of engagement A new millennium beckons and the surface world of human beings seems in dire need of a prophet and wise counselor After all this was my role in the Briton of the Celts when I walked the Isle fulfilling a destiny that expressed the will of powers greater than my own In those long lost days I was called variously Merlinus Ambrosius last of the royal Roman line Merlin Emrys hawk of bright light Myrddin Wyllt wild hermit and Myrddin Silvester man of the forest Dwelling in an age raging with fitful forces of darkness and light I was called often Would that this shifting of shapes ceased remanded to some permanence by the bidding of changing times Just as I recollect myself a group doth form around me Even as I prophesy the circle expands So begins my calling The events to be recorded in this heretofore unsung chronicle will be told as they are lived in wizard s time This way of reckoning knows no beginnings or endings For me past present and future are entwined as an endless string of pearls to be fingered in any direction or grasped tightly by each discrete bead in the string So says Merlin mythologized variously as seer necromancer prophet mercurial trickster bard wise counselor to kings mad man prowler of the Caledonian wood missing person and stone deity So begins Merlin s Calling a literary fantasy allegorical

thriller and group s tale Dr Wallace Branford a social scientist studying large group trends receives a mailing from the alluring Philemont purported to be Merlin s diary Trapped beneath the earth and under a spell cast by his paramour Nimue the seer reveals his life times and practices A modern day Grail search ensues with the truth about Merlin and the wisdom he holds for the coming age as its aim Merlin s prophetic voice and subtle second narration provide a plot within a plot Questing characters scour the summer country of England the northern mountains of Wales and the rocky coast of Cornwall for clues and inspirations Eventual meetings are at once tense exciting soulful and magical Protagonists battle their own demons and histories as dark reactionary forces attempt to usurp or discredit the find Merlin s calling becomes urgent when he senses turbulence in the surface world and circumstances that might set him free The story builds toward conclusion with a shamanic ritual at Stonehenge on mill *Merlin* Robert Nye,1979 **Merlin** Jane Yolen,1997 Merlin now twelve years old begins to come into his magic while being held captive by a band of wild folk [The Return of Merlin](#) Deepak Chopra,1996 Two young constables discover a body in a roadside ditch This begins a series of phenomena that plague the entire English countryside the body disappears other people are reported missing and the constables inquiries lead them to a mazelike grove and a stone that opens a doorway to the past When the ancient forces of Camelot s Merlin and the evil Mordred clash again the outcome will transform all of humanity Rich with spiritual themes THE RETURN OF MERLIN is a sweeping tale spanning the centuries and revealing the hidden possibilities of wonder in the everyday world **The Last Enchantment** Mary Stewart,2012-02-02 By land and water shall it go home and lie hidden in the floating stone until by fire it shall be raised again Arthur has raised the sword and claimed his birthright as High King of Briton determined to unite the many tiny kingdoms that make up his country Now he sits upon his throne at Camelot with Merlin by his side his most trusted adviser But Merlin is growing old and his sight is dimming He knows that Mordred child of Arthur s unknowing union with his half sister Morgause will be Arthur s downfall But he cannot see the future clearly enough to know why or how or when And he s distracted his gifted young apprentice Niniane is more than meets the eye As Merlin teaches her to control her powers he seems to lose his own Merlin has secured Arthur s place in history Now he must take his own The Arthurian Saga begun in The Crystal Cave The Hollow Hills and The Last Enchantment continues in The Wicked Day the story of Arthur s last battle **Hobby** Jane Yolen,1996-09-15 The story of the young Merlin s coming of age continues in this thrilling sequel to Passager An enjoyable introduction to Arthurian fantasy The Horn Book
