Queering Polishness in Polish Theatre Since 2005 Jonas Vanderschueren, 2024-08-12 Theatre has long been an art form at the centre of public life in Poland. Whether it is the self-professed poet-prophets of the Romantic era or the dissident theatre makers working under the strictures of state socialism, the art form has played a vital role in the development of Polish culture and politics in the context of shifting foreign occupations. This book explores the relationship between contemporary Polish theatre makers and contemporary notions of Polishness and argues that queer theory and specifically a Polish appropriation of queer theory can be a crucial element to better understand the politicality of the contemporary Polish theatre field. It does this by focusing on critical theatre productions which are produced at the margins of the Polish theatre field, a choice which has been made as the field is dominated by traditional drama theatres which reproduce a Polish variation on the Western canon. This makes smaller, atypical and independent theatre productions all the more significant as they signify a refusal to continue the traditional role of the Polish theatre field in reproducing the canon of Polish Romanticism. As such, the book argues that contemporary Polish theatre has been marked by a struggle between those building performances and state authorities that see those creations as a threat to their authority.

Spiritually Able David Rizzo, Mercedes McBride Rizzo, 2014-12-01 For many parents seeking faith formation for their child with special needs, the resources are either severely lacking or nonexistent. A family looking to participate in the life of the Church can find it a struggle to get the support, materials, and community needed to grow the faith for their child with special needs. David and Mercedes Rizzo know the struggle all too well. When they searched for sacramental preparation materials for their daughter Daniella, who has autism and is nonverbal, they found a lack of suitable resources. Both memoir and manual, *Spiritually Able: A Parent's Guide to Teaching the Faith to Children with Special Needs* is a life preserver to parents who are seeking ways to grow and nourish a deeper relationship to God and their faith for their child with special needs. Full of tips, advice, and personal accounts, *Spiritually Able* helps bridge the gap and invites all into the welcoming embrace of the Church.

Iron River Daniel Acosta, 2018-10-16 2019 Paterson Prize winner, Skipping Stones Book Award, Kirkus Reviews Best YA Historical Fiction of 2018. A river runs through young Manny Maldonado Jr.'s life, heart, and imagination. Sometimes at night, it even shoots through his brain like a bullet. But this river isn't water; it's iron—the tracks and trains of the Southern Pacific railroad that pass along his tight-knit neighborhood in the San Gabriel valley, just ten miles east of L.A. The iron river is everything to Manny. Man on Fire, Man for short, to his friends; Little Man, to his uncles and cousins. He watches it, he waits for it, he plays near its tracks, he listens for the weight of its currents, strong currents flowing east, pulling two hundred boxcars, light current going west with less than fifty cars. He whiles away long summer days, throwing rocks and bricks at it with his friends Danny, Marco, and Little. They line up cans and bottles in mock battles to try to throw it off track. But nothing derails the iron river, and
