The Scarlet Letter "Annotated and Illustrated Book" With Teacher Edition Nathaniel Hawthorne, 2020-03-22 The Scarlet Letter opens with a long preamble about how the book came to be written The nameless narrator was the surveyor of the customhouse in Salem Massachusetts In the customhouse s attic he discovered a number of documents among them a manuscript that was bundled with a scarlet gold embroidered patch of cloth in the shape of an A The manuscript the work of a past surveyor detailed events that occurred some two hundred years before the narrator s time When the narrator lost his customs post he decided to write a fictional account of the events recorded in the manuscript The Scarlet Letter is the final product The story begins in seventeenth century Boston then a Puritan settlement A young woman Hester Prynne is led from the town prison with her infant daughter Pearl in her arms and the scarlet letter A on her breast A man in the crowd tells an elderly onlooker that Hester is being punished for adultery Hester s husband a scholar much older than she is sent her ahead to America but he never arrived in Boston The consensus is that he has been lost at sea While waiting for her husband Hester has apparently had an affair as she has given birth to a child She will not reveal her lover s identity however and the scarlet letter along with her public shaming is her punishment for her sin and her secrecy On this day Hester is led to the town scaffold and harangued by the town fathers but she again refuses to identify her child s father The elderly onlooker is Hester s missing husband who is now practicing medicine and calling himself Roger Chillingworth He settles in Boston intent on revenge He reveals his true identity to no one but Hester whom he has sworn to secrecy Several years pass Hester supports herself by working as a seamstress and Pearl grows into a willful impish child Shunned by the community they live in a small cottage on the outskirts of Boston Community officials attempt to take Pearl away from Hester but with the help of Arthur

Dimmesdale a young and eloquent minister the mother and daughter manage to stay together Dimmesdale however appears to be wasting away and suffers from mysterious heart trouble seemingly caused by psychological distress Chillingworth attaches himself to the ailing minister and eventually moves in with him so that he can provide his patient with round the clock care Chillingworth also suspects that there may be a connection between the minister s torments and Hester s secret and he begins to test Dimmesdale to see what he can learn One afternoon while the minister sleeps Chillingworth discovers a mark on the man s breast the details of which are kept from the reader which convinces him that his suspicions are correct Dimmesdale s psychological anguish deepens and he invents new tortures for himself In the meantime Hester s charitable deeds and quiet humility have earned her a reprieve from the scorn of the community One night when Pearl is about seven years old she and her mother are returning home from a visit to a deathbed when they encounter Dimmesdale atop the town scaffold trying to punish himself for his sins Hester and Pearl join him and the three link hands Dimmesdale refuses Pearl s request that he acknowledge her publicly the next day and a meteor marks a dull red A in the night sky Hester can see that the minister s condition is worsening and she resolves to intervene She goes to Chillingworth and asks him to stop adding to Dimmesdale s self torment Chillingworth refuses
