Quando Las Mujeres Reinaban

David Carey Jr

Cuando Las Mujeres Reinaban:

Cuando las mujeres reinaban Mirta Zaida Lobato, 2005 About women leaders in Argentina during the 20th century

Women in Politics and Media Maria Raicheva-Stover, Elza Ibroscheva, 2014-09-25 Although women constitute half of the world's population their participation in the political sphere remains problematic While existing research on women politicians from the United States the United Kingdom and Canada sheds light on the challenges and opportunities they face we still have a very limited understanding of women's political participation in emerging democracies *Women in Politics and Media Perspectives From Nations in Transition* is the first collection to de-Westernize the scholarship on women politics and media by 1 highlighting the latest research on countries and regions that have not been the usual suspects 2 featuring a diverse group of scholars many of non-Western origin 3 giving voice through personal interviews to politically active women thus providing the reader with a rare insight into women's agency in the political structures of emerging democracies Each chapter examines the complex women politics and media dynamic in a particular nation state taking into consideration the specific political historic and social context With 23 case studies and interviews from Latin America sub-Saharan Africa the Middle East and North Africa Central and Eastern Europe Asia Russia and the former Soviet republics this volume will be of interest to students media scholars and policy makers from developed and emerging democracies

Bodies in Crisis

Barbara Sutton, 2010-02-18 Born and raised in Argentina and still maintaining significant ties to the area Barbara Sutton examines the complex and often hidden bodily worlds of diverse women in that country during a period of profound social upheaval Based primarily on women's experiential narratives and set against the backdrop of a severe economic crisis and intensified social movement activism post 2001 *Bodies in Crisis* illuminates how multiple forms of injustice converge in and are contested through women's bodies Sutton reveals the bodily scars of neoliberal globalization women's negotiation of cultural norms of femininity and beauty experiences with clandestine illegal and unsafe abortions exposure to and resistance against interpersonal and structural violence and the role of bodies as tools and vehicles of political action Through the lens of women's body consciousness in a Global South country and drawing on multifaceted stories and a politically embedded approach *Bodies in Crisis* suggests that social policy economic systems cultural ideologies and political resistance are ultimately fleshly matters

Em torno da imagem e da memória Elcio Loureiro Cornelsen, Elisa Amorim Vieira, Gonzalo

Leiva Quijada, 2016-03-13 Os diversos ensaios que compõem o presente volume *Em torno da imagem e da memória* organizado por Elcio Cornelsen Elisa Amorim e Gonzalo Leiva Quijada transitam entre diversas expressões artísticas como a pintura o cinema a literatura o desenho a colagem e sobretudo a fotografia seja enquanto retrato registro documental ou enquanto refotografia fotopintura fotografia pós morte e pictorialismo Assim nos textos que procuram estabelecer relações entre imagem e memória na arte contemporânea o que se observa predominantemente o caráter híbrido da imagem apresentada pelos artistas o seu caráter intermediário que se configura na fronteira entre as diversas linguagens J nos ensaios que se voltam

para as imagens de eventos traumáticos ou que se voltam para a busca do que resta do passado no presente evidencia se o caráter de resistência da arte resistência contra o horror contra o trauma contra a ausência e sobretudo resistência política do esquecimento Assim este livro apresenta ao leitor o olhar múltiplo e instigante de diversos pesquisadores artistas e escritores em diálogo com alguns dos pensadores e filósofos indispensáveis para que se reflita o presente e para que se possa vislumbrar os rastros do passado que sobrevivem e insistem nos tempos atuais

The New Jewish Argentina Adriana Brodsky, Raanan Rein, 2012-09-28 Congratulations to Adriana Brodsky and Raanan Rein whose edited volume has been chosen as the winner of the 2013 Latin American Jewish Studies Association Book Prize The New Jewish Argentina aims at filling in important lacunae in the existing historiography of Jewish Argentines Moving away from the political history of the organized community most articles are devoted to social and cultural history including unaffiliated Jews women and gender criminals printing presses and book stores These essays written by scholars from various countries consider the tensions between the national and the trans national and offer a mosaic of identities which is relevant to all interested in Jewish history Argentine history and students of ethnicity and diaspora This collection problematizes the existing image of Jewish Argentines and looks at Jews not just as persecuted ethnics idealized agricultural workers or as political actors in Zionist politics This book is a must read for students and scholars interested in immigration to Latin America Ethnic History and Jewish Studies but its readership could extend to anybody who is interested in this chapter of social and cultural history Ariana Huberman Haverford College

Oral History in Latin America David Carey Jr, 2017-03-27 This field guide to oral history in Latin America addresses methodological ethical and interpretive issues arising from the region's unique milieu With careful consideration of the challenges of working in Latin America including those of language culture performance translation and political instability David Carey Jr provides guidance for those conducting oral history research in the postcolonial world In regions such as Latin America where nations that have been subjected to violent colonial and neocolonial forces continue to strive for just and peaceful societies decolonizing research and analysis is imperative Carey deploys case studies and examples in ways that will resonate with anyone who is interested in oral history
