

The Cuban Democratic Experience

The Auténtico Years, 1944–1952

Charles D. Ameringer

Cuban Democratic Experience

Benson Latin American Collection

Cuban Democratic Experience:

The Cuban Democratic Experience Charles D. Ameringer, 2000 A serious attempt to explore the strengths and weaknesses of Cuba's Aut ntico regime and its programs and failings in service of democracy We can now see its legacy in the Batista and Castro eras Harold Dana Sims University of Pittsburgh Charles Ameringer looks at eight unique years in Cuban history 1944 to 1952 that generally have been ignored by most commentators and examines the cultural economic political and social features of the era Specialists divide the history of Cuba into three periods the Plattist Republic 1902 1933 the Batista era 1933 1958 and the Cuban Revolution and Castro era 1959 to the present Ameringer points out that this division glosses over the years when Cubans had a functioning democracy and he contends enjoyed a rare freedom of expression and an artistic flowering These years comprised the administrations of Ram n Grau San Mart n and Carlos Pr o Socarr s both freely elected leaders of the Cuban Revolutionary Party Aut ntico PRC A They avowed their dedication to fulfill the goals of the Revolution of 1933 economic liberation and social justice but failed to live up to those expectations and their governments ultimately were marked by corruption and violence Without attempting to rehabilitate the Aut nticos entirely Ameringer probes the Cuban consciousness in order to understand the strengths and weaknesses of Cuban democracy during this special period He concludes that the Aut nticos eventually lost the respect of the people and despite significant reforms their administrations led to the return to power of the opportunistic Fulgencio Batista Although written in a readable style this book offers serious solid analyses of key developments that fill major gaps in the current understanding of the circles of power in prerevolutionary Cuba Charles D Ameringer professor emeritus of Latin American history Pennsylvania State University is the author of *The Caribbean Legion Patriots Politicians Soldiers of Fortune* 1946 1950 and *The Democratic Left in Exile The Antidictatorial Struggle in the Caribbean* 1945 1959

Gangsterismo Jack Colhoun, 2013-04-01 *Gangsterismo* is an extraordinary accomplishment the most comprehensive history yet of the clash of epic forces over several decades in Cuba It is a chronicle that touches upon deep and ongoing themes in the history of the Americas and more specifically of the United States government Cuba before and after the revolution and the criminal networks known as the Mafia The result of 18 years research at national archives and presidential libraries in Kansas Maryland Texas and Massachusetts here is the story of the making and unmaking of a gangster state in Cuba In the early 1930s mobster Meyer Lansky sowed the seeds of gangsterismo when he won Cuban strongman Fulgencio Batista's support for a mutually beneficial arrangement the North American Mafia were to share the profits from a future colony of casinos hotels and nightclubs with Batista his inner circle and senior Cuban Army and police officers In return Cuban authorities allowed the Mafia to operate its establishments without interference Over the next twenty five years a gangster state took root in Cuba as Batista other corrupt Cuban politicians and senior Cuban army and police officers got rich All was going swimmingly until a handful of revolutionaries upended the neat arrangement and the CIA Cuban counterrevolutionaries and

the Mafia joined forces to attempt the overthrow of Castro Gangsterismo is unique in the literature on Cuba and establishes for the first time the integral extensive role of mobsters in the Cuban exile movement The narrative unfolds against a broader historical backdrop of which it was a part the confrontation between the United States and the Cuban revolution which turned Cuba into one of the most perilous battlegrounds of the Cold War The anti communist hysteria generated by the Cold War frequently unhinged the policy judgments of US government officials in many areas but nowhere so completely as in our relations with Cuba This conclusion is inescapable as Gangsterismo brilliantly unravels the bizarre tale of the Mafia army the Kennedy brothers recruited in their manic determination to rid Cuba of Castro that vexing seemingly indomitable Communist Martin J Sherwin co winner of the Pulitzer Prize together with Kai Bird for American Prometheus The Triumph and Tragedy of J Robert Oppenheimer What is shocking is not what is new but how much that is old already on the record in presidential and other archives CIA and FBI files memoirs and histories in Jack Colhoun s Gangsterismo Drawing on the National Security Archives papers and books public and private he damningly documents the pathetic incompetent and sometimes comic but always inappropriate and anti democratic attempts by the CIA and or its confederates working in tandem with members of the mob to assassinate Castro and overthrow the Cuban revolution Victor S Navasky publisher emeritus The Nation professor Columbia University Graduate School of Journalism Gangsterismo is an invaluable addition to our background knowledge about that small island nation that has incurred so much devotion and ire from U S Americans Books about Cuba abound but this one lays bare an often forgotten pre revolutionary history of U S based organized crime and subsequent hidden U S government covert action Colhoun has done his homework This is a must read Margaret Randall author of To Change the World My Years in Cuba Few aspects of Cuba U S relations have so doggedly resisted serious inquiry as the subject of organized crime in Cuba Much of what we know has reached us by way of popular culture principally through film and fiction to which the subject of the underworld in the tropics so aptly lends itself Colhoun represents a breakthrough serious scholarship on a serious subject He casts light upon one of the darkest recesses of a dark history calling attention to the convergence of interests between the underworld of criminal activity and nether world of covert operations and reveals in the process that film and fiction have actually only scratched the surface of a sordid story Louis A P rez Jr editor Cuba Journal professor of history University of North Carolina at Chapel Hill

The Cuban Revolution G. Lievesley, 2003-12-19 The Cuban Revolution offers a reflective account of what the Revolution has meant to various actors such as the dominant powers the Third World fellow revolutionaries intellectuals and Cuban citizens at different periods in its history Rather than offer a simple narrative of events Geraldine Lievesley addresses significant themes with which the Revolution has engaged and the problems that it has encountered

Heroes, Martyrs, and Political Messiahs in Revolutionary Cuba, 1946-1958 Lillian Guerra, 2018-04-24 A leading scholar sheds light on the experiences of ordinary Cubans in the unseating of the dictator Fulgencio Batista In this important and timely volume one of today s foremost experts on Cuban history and politics

fills a significant gap in the literature illuminating how Cuba's electoral democracy underwent a tumultuous transformation into a military dictatorship Lillian Guerra draws on her years of research in newly opened archives and on personal interviews to shed light on the men and women of Cuba who participated in mass mobilization and civic activism to establish social movements in their quest for social and racial justice and for more accountable leadership Driven by a sense of duty toward la patria the fatherland and their dedication to heroism and martyrdom these citizens built a powerful underground revolutionary culture that shaped and witnessed the overthrow of Batista in the late 1950s Beautifully illustrated with archival photographs this volume is a stunning addition to Latin American history and politics *Hollywood in Havana* Megan Feeney,2019-01-04 From the turn of the twentieth century through the late 1950s Havana was a locus for American movie stars with glamorous visitors including Errol Flynn John Wayne and Marlon Brando In fact Hollywood was seemingly everywhere in pre Castro Havana with movie theaters three to a block in places widely circulated silver screen fanzines and terms like cowboy and gangster entering Cuban vernacular speech Hollywood in Havana uses this historical backdrop as the catalyst for a startling question Did exposure to half a century of Hollywood pave the way for the Cuban Revolution of 1959 Megan Feeney argues that the freedom fighting extolled in American World War II dramas and the rebellious values and behaviors seen in postwar film noir helped condition Cuban audiences to expect and even demand purer forms of Cuban democracy and national sovereignty At the same time influential Cuban intellectuals worked to translate Hollywood ethics into revolutionary rhetoric which ironically led to pointed critiques and subversions of the US presence in Cuba Hollywood in Havana not only expands our notions of how American cinema was internalized around the world it also broadens our view of the ongoing history of US Cuban interactions both cultural and political **Modern Art in 1940s Cuba** Alejandro Anreus,2025-07-22 Exploring the work of avant garde artists in Cuba from 1940 to 1952 this book provides the first comprehensive history of modern Cuban art during the nation's only democratic period New West Indian guide ,2001 *People's Power* Peter Roman,2003 Focusing primarily on the municipal level but also presenting material on the national and provincial elected bodies and the newer people's councils and workers parliaments Roman behavioral and social sciences City U of New York offers a theoretical historical and contemporary analysis He finds theoretical foundations in Rousseau Marx and Lenin and historical precedents in the Paris Commune the 1905 and 1917 Soviets and the Soviet Union before and after Stalin His coverage extends from the various experiments after the triumph of the revolution in 1959 through effects of the 1992 Constitution and election law to the present Annotation copyrighted by Book News Inc Portland OR The Hispanic American Historical Review James Alexander Robertson,2001 Includes Bibliographical section *Essays in Cuban Intellectual History* Rafael Rojas,2008-02-15 Well known essayist Rafael Rojas presents a collection of his best work one which focuses on and offers alternatives to the central myths that have organized Cuban culture from the nineteenth century to the present Topics covered include Jo Mart Fernando Ortiz and broader concepts of diaspora and memory in the Cuban

Embracing the Track of Expression: An Mental Symphony within **Cuban Democratic Experience**

In a world eaten by screens and the ceaseless chatter of instant conversation, the melodic beauty and emotional symphony developed by the prepared word frequently disappear in to the backdrop, eclipsed by the constant noise and disturbances that permeate our lives. Nevertheless, located within the pages of **Cuban Democratic Experience** a wonderful fictional value brimming with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, that fascinating masterpiece conducts visitors on an emotional trip, skillfully unraveling the concealed songs and profound impact resonating within each cautiously constructed phrase. Within the depths with this emotional review, we shall discover the book is main harmonies, analyze their enthralling writing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
